(Incorporated with limited liability in Luxembourg)

EUR 10,000,000,000

Programme for the issue of Euro Medium Term Notes and Warrants

On 9 November, 1995, Dexia Banque Internationale à Luxembourg, société anonyme (formerly Banque Internationale à Luxembourg S.A.) entered into a U.S.\$1,000,000,000 Programme for the issue of Euro Medium Term and Undated Notes and Warrants (the "Programme") and issued an offering circular on that date describing the Programme. The limit of the Programme was increased to U.S.\$2,000,000,000 on 8 November, 1996, to U.S.\$5,000,000,000 on 16 December, 1997, to U.S.\$8,000,000,000 on 21 February, 2005 and to Euro 10,000,000,000 on 3 October, 2005.

Any Notes or Warrants (as defined below) issued under the Programme on or after the date of this Prospectus are issued subject to the provisions described herein save that any Notes or Warrants issued which are to be consolidated and form a single series with a previous issue of Notes or Warrants shall be subject to the terms and conditions applicable to that previous issue of Notes or Warrants as set out in the prospectus applicable thereto.

Under the Programme, Dexia Banque Internationale à Luxembourg, société anonyme (the "Bank" or "Dexia BIL"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue medium term notes that rank as senior obligations of Dexia BIL (the "Senior Notes"), medium term notes that rank as subordinated obligations of Dexia BIL (the "Subordinated Notes" and, together with the Senior Notes, the "Notes") and warrants or other similar instruments (the "Warrants"). The aggregate principal amount of Notes outstanding will not at any time exceed Euro 10,000,000,000 (or the equivalent in other currencies).

Application has been made to the *Commission de Surveillance du Secteur Financier* (the "CSSF") in its capacity as competent authority under the Luxembourg Act dated 10 July, 2005 relating to prospectuses for securities to approve this document as a base Prospectus. Application has also been made to the Luxembourg Stock Exchange for Notes and Warrants issued under the Programme for the period of 12 months from the date of publication of this Prospectus to be listed on the official list of the Luxembourg Stock Exchange (the "Official List") and to be admitted to trading on the regulated market of the Luxembourg Stock Exchange (the "Regulated Market"). References in this Prospectus to Notes and Warrants being "listed" (and all related references) shall mean that such Notes and Warrants have been listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market. The Regulated Market is a regulated market for the purposes of the Directive 2004/39/EC of the European Parliament and of the Council on Markets in financial instruments. However, unlisted Notes and Warrants may be issued pursuant to the Programme. The relevant Final Terms (as defined on page 6) in respect of the issue of any Notes and the relevant Final Terms for the Warrants (as defined on page 13) in respect of the issue of any Warrants will specify whether or not such Notes or Warrants will be listed on the Official List of the Luxembourg Stock Exchange (or any other stock exchange(s)).

Each Tranche (as defined on page 6) of Notes in bearer form will be represented on issue by a temporary global note in bearer form (each, a "temporary Global Note") or a permanent global note in bearer form (each, a "permanent Global Note" and together with the temporary Global Notes, the "Global Notes"). Each Tranche of Warrants in bearer form will be represented on issue by a temporary global warrant in bearer form (each, a "temporary Global Warrant"). Each Tranche of Warrants in book-entry form will be represented by a global warrant (each, a "Global Warrant", which expression does not include temporary Global Warrants). If the Global Notes are stated in the applicable Final Terms to be issued in new global note ("NGN") form, they will be delivered on or prior to the original issue date of the relevant Tranche to a common safekeeper (the "Common Safekeeper") for Euroclear Bank S.A./N.V. ("Euroclear") and Clearstream Banking, *société anonyme* ("Clearstream, Luxembourg"). Notes in registered form ("Registered Notes") will be represented by registered certificates (each, a "Registered Note Certificate"), one Registered Note Certificate being issued in respect of each Noteholder's entire holding of Registered Notes of one Series (as defined on page 6) of Notes. Registered Notes issued in global form will be represented by registered global certificates ("Registered Note Global Certificates"). If a Registered Note Global Certificate is held under the New Safekeeping Structure ("NSS") the Registered Note Global Certificate will be delivered on or prior to the original issue date of the relevant Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg.

Global Notes which are not issued in NGN form ("CGNs"), Registered Note Global Certificates which are not held under the NSS, temporary Global Warrants and Global Warrants will be deposited on the issue date of the relevant Tranche with a common depository on behalf of Euroclear and Clearstream, Luxembourg (the "Common Depository").

The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in "Summary of Provisions Relating to the Notes while in Global Form". Each temporary Global Warrant will be exchangeable in whole, but not in part, for definitive Warrants in bearer form 40 days after its issue date upon certification as to non-U.S. beneficial ownership. The purchase, transfer and exercise of Warrants in book-entry form may only be effected through an account at Euroclear or Clearstream, Luxembourg. Definitive Warrants in book-entry form will not be issued.

Tranches of Notes may be rated or unrated. Where a Tranche of Notes is rated, it will be specified in the relevant Final Terms. Such rating will not necessarily be the same as ratings assigned to the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Prospective investors should have regard to the factors described under the section headed "Risk Factors" in this Prospectus.

This Prospectus comprises a base prospectus for the purposes of Article 5.4 of Directive 2003/71/EC (the "Prospectus Directive").

Having taken all reasonable care to ensure that such is the case, the information contained in this Prospectus is, to the best of the knowledge of the Issuer, in accordance with the facts and contains no omission likely to affect its import.

General

This Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes or Warrants in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes or Warrants. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes or Warrants which are the subject of an offering contemplated in this Prospectus as completed by final terms in relation to the offer of those Notes or Warrants may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by relevant final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or relevant final terms, as applicable. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes or Warrants in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

This Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see “Documents Incorporated by Reference”).

No person has been authorised to give any information or to make any representation other than those contained in this Prospectus in connection with the issue or sale of the Notes or Warrants and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (as defined in “Summary of the Programme”). Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Issuer’s consolidated subsidiaries taken as a whole (the “Dexia BIL Group”) since the date hereof or the date upon which this Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer or the Dexia BIL Group since the date hereof or the date upon which this Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Prospectus and the offering or sale of the Notes and Warrants in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction. The Notes and Warrants have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”). The Notes include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons. The Warrants may not at any time be offered, sold or delivered directly or indirectly in the United States or to, or for the account or benefit of, any U.S. person. Furthermore, neither the sale of nor trading in Warrants which relate to currencies, commodity prices or indices has been approved by the United States Commodity Futures Trading Commission under the United States Commodity Exchange Act, and no U.S. person may at any time purchase, trade or maintain a position in such Warrants unless otherwise specified in the

relevant Final Terms for the Warrants. For a description of certain restrictions on offers and sales of Notes and Warrants and on the distribution of this Prospectus, see “Plan of Distribution”.

This Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer or the Dealers to subscribe for, or purchase, any Notes or Warrants.

To the fullest extent permitted by law, none of the Dealers (other than the Issuer in its capacity as Dealer) or the Arranger accept any responsibility for the contents of this Prospectus or for any other statement, made or purported to be made by the Arranger or a Dealer (other than the Issuer in its capacity as Dealer) or on its behalf in connection with the Issuer or the issue and offering of the Notes or the Warrants. The Arranger and each Dealer (other than the Issuer in its capacity as Dealer) accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus or any such statement. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Prospectus or any other financial statements should purchase the Notes or Warrants, as the case may be. Each potential purchaser of Notes or Warrants should determine for itself the relevance of the information contained in this Prospectus and its purchase of Notes or Warrants, as the case may be, should be based upon such investigation as it deems necessary. None of the Dealers (other than the Issuer in its capacity as Dealer) or the Arranger undertakes to review the financial condition or affairs of the Issuer or the Dexia BIL Group during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Notes or Warrants of any information coming to the attention of any of the Dealers or the Arranger.

In connection with the issue of any Tranche of Notes the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes, or effect transactions with a view to supporting the market price of the Notes, at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes, is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes, and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

Stabilising activities are not permitted in respect of the Warrants.

Initial Delivery of Warrants:	Temporary Global Warrants may, and Global Warrants will, be deposited with a common depository for Euroclear and Clearstream, Luxembourg immediately prior to their issue date.
Clearing Systems:	Clearstream, Luxembourg and Euroclear and, in relation to any Tranche of Bearer Warrants, such other clearing system as may be agreed between the Issuer and the relevant Dealer.
Terms of the Warrants:	As set out in the relevant Final Terms for the Warrants, each Series of Warrants will entitle the Warrantholder (as defined in the general conditions of the Warrants (the “General Conditions”)) to receive a cash amount from the Issuer calculated in accordance with the relevant Terms, all as set out in the General Conditions and in the relevant Terms. Each Final Terms for the Warrants will set forth certain information with respect to Warrants of the relevant Series (distinguishing between separate Tranches of Warrants, if applicable) including the designation, the maximum aggregate number and type of Warrants, the date of issue, the issue price, the strike price, the settlement amount, the exercise period or the exercise date or dates, the final exercise date and the settlement date.
Important Notice for Investors:	Investors should note that the Warrants create options exercisable by the relevant Warrantholder. There is no obligation upon any Warrantholder to exercise his Warrant nor, in the absence of such exercise, any obligation upon the Issuer to pay or cause to be paid any amount in respect of the Warrants. Upon exercise of any Warrants, Warrantholders will be required to make a certification in respect of certain laws of the United States of America (see “General Conditions of the Book-entry Warrants—Exercise Procedure” or “General Conditions of the Bearer Warrants—Exercise Procedure”, as the case may be).
Status of Warrants:	The Warrants will constitute unsubordinated and unsecured obligations of the Issuer.
Events of Default and Negative Pledge:	The Warrants will not contain any negative pledge or events of default.
Termination for Illegality:	The Issuer has the right to terminate any Warrants prior to exercise only if its performance under such Warrants has become unlawful. In such circumstances the Issuer will (to the extent permitted by applicable law) cause an amount to be paid to each Warrantholder in respect of each relevant Warrant which is the fair market value of such Warrant immediately prior to such termination. (See “General Conditions of the Book-entry Warrants—Illegality” or “General Conditions of the Bearer Warrants—Illegality”, as the case may be.)
Taxation:	Warrantholders will be liable for any taxes, including withholding tax, arising in connection with the Warrants.
Governing Law:	Book-entry Warrants shall be governed by English law. Bearer Warrants shall be governed by Luxembourg law.
Listing:	The official list of the Luxembourg Stock Exchange or as otherwise specified in the relevant Final Terms for the Warrants. As specified in the relevant Final Terms for the Warrants, a Series of Warrants may be unlisted.

Selling Restrictions:

United States, EEA, United Kingdom, France, Germany, Japan, The Netherlands, Singapore. See “Plan of Distribution”. The Warrants may not at any time be offered, sold or delivered directly or indirectly in the United States or to, or for the account or benefit of, any U.S. person. Furthermore, neither the sale of nor trading in Warrants which relate to currencies, commodity prices or indices has been approved by the United States Commodity Futures Trading Commission under the United States Commodity Exchange Act, and no U.S. person may at any time purchase, trade or maintain a position in such Warrants unless otherwise specified in the relevant Final Terms for the Warrants.

Risk Factors:

There are risk factors that may affect the Issuer’s ability to fulfil its obligations under the Warrants. These include Credit Risk, Market Risk, Operational Risk, Liquidity Risk, Risk Management, Regulatory Risk, uncertain economic conditions and competition. There are risk factors which are material for the purpose of assessing the market risks associated with the Warrants. These include the risk that the Warrants may not be a suitable investment for all investors. There are risk factors that relate to the structure of a potential issue of Warrants. Investment in warrants involves a high degree of risk, certain factors affecting the value and trading price of warrants, Limitations on Exercise, Minimum Exercise Amount, Certain Considerations regarding Hedging and Time Lag after Exercise and Certain Additional Risk Factors Associated with Currency Warrants. There are risks relating to the Warrants generally. These include modifications, waivers and substitution, Basel Capital Requirements Directive, the trading market for debt securities may be volatile and may be adversely impacted by many events, the European Monetary Union, the EU Savings Directive and change of law. There are risks relating to the market generally. These include the secondary market generally, exchange rate risks and exchange controls, interest rate risks and credit ratings may not reflect all risks. Legal investment considerations may restrict certain investments.

Use of Proceeds:

The net proceeds of the sale of the Warrants will be used for the general funding purposes of the Issuer. If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the relevant Final Terms for the Warrants.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Notes and/or the Warrants. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of all or any of such contingencies occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with the Notes and the Warrants issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents deemed to be incorporated in it by reference) and reach their own views prior to making any investment decision.

Factors that may affect the Issuer's ability to fulfil its obligations under the Notes and the Warrants.

Like other banks, the Issuer faces financial risk in the conduct of its business, such as credit risk, operational risk and market risk (including liquidity risk).

Credit risk

As a credit institution, the Issuer is exposed to the creditworthiness of its customers and counterparties. The Issuer may suffer losses related to the inability of its customers or other counterparties to meet their financial obligations. Most of the commitment decisions concern customers in the local government sector, which is low risk and also subject to specific controls relating to its public nature. The Issuer cannot assume that its level of provisions will be adequate or that it will not have to make significant additional provisions for possible bad and doubtful debts in future periods. Group Risk Management oversees the Dexia Group's risk policy and is responsible for, *inter alia*, setting and managing the risk surveillance function and decision processes and implementing Group-wide risk assessment methods for each of the bank's activities and operational entities.

Market risk

Market risks are all the risks linked to the fluctuations of market prices, including, principally, exposure to loss arising from adverse movements in interest rates, and, to a lesser extent, foreign exchange rates and equity prices, stemming from Dexia Group's capital market activities. Due to the nature of its activity, the Dexia Group is prevented from assuming significant exposure to market risk. It does not act as a market maker and therefore has exposure mainly on its short-term cash management and a portfolio of derivative products with customers that is managed on a market value basis. Market risks generated by the commercial businesses are generally hedged and residual risks are handled by the Asset and Liability Management function.

Operational risk

Operational risk is the risk of financial or non-financial impact resulting from inadequate or failed internal processes or systems, from people's failings or from external events. The definition includes IT, legal and compliance risk but excludes strategic risk. The operational risk management ("ORM") framework relies on several key components, which include the systematic collection of operational risk events, the yearly self-assessment of risks and controls in all activities, the management of information security and business continuity, as well as the management of group common insurance policies. All of these activities regularly lead to the definition of improvement actions, which are monitored on a regular basis. Moreover the framework relies on strong governance with clearly defined roles and responsibilities for the ORM function, the Management Board, the line management and their operational risk correspondents. As with most other banks, the Issuer relies heavily on communications and information systems to conduct its business. Any failure or interruption or breach in security of these systems could result in failures or interruptions in the Issuer's customer relationship management, general ledger, deposit, servicing and/or loan organisation systems. The Issuer cannot provide assurances that such failures or interruptions will not occur or, if they do occur,

that they will be adequately addressed. The occurrence of any failures or interruptions could have a material adverse effect on the Issuer's financial condition and results of operations.

Liquidity risk

The objective of liquidity management is to ensure that, at all times, the Issuer holds sufficient funds to meet its contracted and contingent commitments to customers and counterparties, at an economic price. All the main issues regarding liquidity risk are directly managed by the Dexia Group's Asset and Liability Management function, which carefully manages the Dexia Group's resources and their use, in particular, the adequacy of expected new lending production with the available resources and the Dexia Group's liquidity needs.

Risk Management

Monitoring of the risks relating to the Issuer and its operations and the banking industry is performed jointly by the appropriate committees and the Risk Management department, with the help of tools that it develops, in compliance with the guidelines established by the Dexia Group and all legal constraints and rules of prudence. As regards the supervision of risks in the subsidiaries and branches, each entity has its own local risk management structure. These structures are strictly independent of the front-offices and reporting to the Issuer's Local Risk Management department either directly (branches) or functionally (subsidiaries).

Regulatory risk

The Issuer's business activities are subject to substantial regulation and regulatory oversight in the jurisdictions in which it operates. Current, together with future regulatory developments, including changes to accounting standards and the amount of regulatory capital required to support the risk, could have an adverse effect impacting on how the Issuer conducts its business and on the results of its operations. The Issuer's business and earnings are also affected by fiscal and other policies that are adopted by the various regulatory authorities of the European Union, foreign governments and international agencies. The nature and impact of future changes in such policies are not predictable and are beyond the Issuer's control.

Uncertain economic conditions

The Issuer's business activities are dependant on the level of banking, finance and financial services required by its customers. In particular, levels of borrowing are heavily dependent on customer confidence, market interest rates and other factors that affect the economy. Although in recent years there have been significant adverse developments in world markets, the current outlook for the world economy is improving. The profitability of the Issuer's businesses could, therefore, be adversely affected by a worsening of general economic conditions in its markets, as well as by foreign and domestic trading market conditions and/or related factors, including governmental policies and initiatives. An economic downturn or significantly higher interest rates could increase the risk that a greater number of the Issuer's customers would default on their loans or other obligations to the Issuer, or would refrain from seeking additional borrowing.

Increased Regulation

Recent developments in the global markets have led to an increase in the involvement of various governmental and regulatory authorities in the financial sector and in the operations of financial institutions. In particular, governmental and regulatory authorities in France, the UK, the United States, Belgium, Luxembourg and elsewhere have provided additional capital and funding and already or may in the future be introducing a significantly more restrictive regulatory environment including new accounting and capital adequacy rules, restriction on termination payments for key personnel in addition to new regulation of derivative instruments. It is uncertain how the more rigorous regulatory climate will impact financial institutions including the Issuer and Dexia Group but an adverse impact on their respective businesses cannot be excluded, which could in turn affect the Issuer's ability to meet its payments under the Notes and Warrants.

Competition

The Issuer faces strong competition across all its markets from local and international financial institutions including banks, building societies, life insurance companies and mutual insurance organisations. While the Issuer believes it is positioned to compete effectively with these competitors, there can be no assurance that increased competition will not adversely affect the Issuer in one or more of the markets in which it operates.

Factors which are material for the purpose of assessing the market risks associated with the Notes and the Warrants.

Current Market Volatility and Recent Market Developments

Significant declines in the housing market in the United States and in various other countries in the past two years have contributed to significant write-downs of asset values by financial institutions, including government-sponsored entities and major commercial and investment banks. These write-downs have caused many financial institutions to seek additional capital, to merge with larger and stronger institutions and, in some cases, to fail. Amid concerns about the stability of the financial markets generally and the strength of counterparties, many lenders and institutional investors have substantially reduced, and in some cases, halted their funding to borrowers, including other financial institutions.

While the capital and credit markets have been experiencing volatility and disruption for more than 12 months, the volatility and disruption has reached unprecedented levels in recent months. In some cases, this has resulted in downward pressure on stock prices and significantly reduced the capacity of certain issuers to raise debt. The resulting lack of credit availability, lack of confidence in the financial sector, increased volatility in the financial markets and reduced business activity could materially and adversely affect the Issuer's business, financial condition and results of operations, which could in turn affect the Issuer's ability to meet its payments under the Notes.

Notes and Warrants may not be a suitable investment for all investors

Each potential investor in any Notes and/or Warrants must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes and/or Warrants, the merits and risks of investing in the relevant Notes and/or Warrants and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and/or Warrants and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes and/or Warrants, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and/or Warrants and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes and/or Warrants are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes and/or Warrants which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes and/or Warrants will perform under changing conditions, the resulting effects on the value of such Notes and/or Warrants and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This may also be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. As a consequence, part of the capital invested by the Noteholder may be, may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "Relevant Factor"). An investment in Index Linked Notes entails significant risks that are not associated with similar investments in a conventional fixed or floating rate debt security. The Issuer believes that Index Linked Notes should only be purchased by investors who are, or who are purchasing under the guidance of, financial institutions or other professional investors that are in a position to understand the special risks that an investment in these instruments involves. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) such index or indices may be subject to significant changes, whether due to the composition of the index itself, or because of fluctuations in value of the indexed assets;
- (iii) the resulting interest rate will be less (or may be more) than that payable on a conventional debt security issued by the Issuer at the same time;
- (iv) payment of principal or interest may occur at a different time or in a different currency than expected;
- (v) the holder of an Index Linked Note could lose all or a substantial portion of the principal of such Note (whether payable at maturity or upon redemption or repayment), and, if the principal is lost, interest may cease to be payable on the Index Linked Note;
- (vi) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vii) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable will likely be magnified;
- (viii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield;
- (ix) the risks of investing in an Index Linked Note encompass both risks relating to the underlying indexed securities and risks that are unique to the Note itself;
- (x) any Index Linked Note that is indexed to more than one type of underlying asset, or on formulas that encompass the risks associated with more than one type of asset, may carry levels of risk that are greater than Notes that are indexed to one type of asset only;
- (xi) it may not be possible for investors to hedge their exposure to these various risks relating to Index Linked Notes; and
- (xii) a significant market disruption could mean that the index on which the Index Linked Notes are based ceases to exist.

In addition, the value of Index Linked Notes on the secondary market is subject to greater levels of risk than is the value of other Notes. The secondary market, if any, for Index Linked Notes will be affected by a number of factors, independent of the creditworthiness of the Issuer and the value of the applicable currency, stock, interest rate or other index, including the volatility of the applicable currency, stock, interest rate or other index, the time remaining to the maturity of such Notes, the amount outstanding of such Notes and market interest rates. The value of the applicable currency, stock, interest rate or other index depends on a number of interrelated factors, including economic, financial and political events, over which the Issuer has no control. Additionally, if the formula used to determine the amount of principal, premium and/or interest payable with respect to

Index Linked Notes contains a multiplier or leverage factor, the effect of any change in the applicable currency, stock, interest rate or other index will be increased. The historical experience of the relevant currencies, commodities, stocks, interest rates or other indices should not be taken as an indication of future performance of such currencies, stocks, interest rates or other indices during the term of any Index Linked Note. Additionally, there may be regulatory and other ramifications associated with the ownership by certain investors of certain Index Linked Notes.

Various transactions by the Issuer could impact the performance of any Index Linked Notes, which could lead to conflicts of interest between the Issuer and holders of its Index Linked Notes.

The Issuer is active in the international securities and currency markets on a daily basis. It may thus, for its own account or for the account of customers, engage in transactions directly or indirectly involving assets that are “reference assets” under Index Linked Notes and may make decisions regarding these transactions in the same manner as it would if the Index Linked Notes had not been issued. The Issuer and its affiliates may on the issue date of the Index Linked Notes or at any time thereafter be in possession of information in relation to any reference assets that may be material to holders of any Index Linked Notes and that may not be publicly available or known to the Noteholders. There is no obligation on the part of the Issuer to disclose any such business or information to the Noteholders.

Partly-Paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing some or all of its investment.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include such features.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer’s ability to convert the interest rate will affect the secondary market and the market value of such Notes, since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Investors will not be able to calculate in advance their rate of return on Floating Rate Notes

A key difference between (i) Floating Rate Notes and (ii) Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the Notes provide for frequent interest payment dates, investors are exposed to the reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing.

Zero Coupon Notes are subject to higher price fluctuations than non-discounted notes

Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary notes because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Notes can suffer higher price losses than other notes having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Notes are a type of investment associated with a particularly high price risk.

Notes issued at a substantial discount or premium

The market values of Notes issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional

interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Foreign Currency Notes expose investors to foreign-exchange risk as well as to issuer risk

As purchasers of Foreign Currency Notes, investors are exposed to the risk of changing foreign exchange rates. This risk is in addition to any performance risk that relates to the issuer or the type of note being issued.

The Issuer's obligations under Subordinated Notes

Dexia BIL's obligations under Subordinated Notes will be unsecured and subordinated and will rank junior to the claims of creditors in respect of unsubordinated obligations (as described in "Terms and Conditions of the Subordinated Notes").

If no dividend has been declared paid or made on any class of share capital of Dexia BIL in the twelve months ending on the day immediately preceding the relevant Interest Payment Date, then Dexia BIL may defer the payment of interest on the Junior Subordinated Notes. Such deferral may last until the earliest of (A) the Interest Payment Date immediately following the date upon which a dividend is next declared on any class of share capital of Dexia BIL, (B) the date set for redemption in respect of any Junior Subordinated Note or, where all the Junior Subordinated Notes are purchased by the Issuer (other than in the ordinary course of the business of dealing in securities on behalf of third parties), and (C) the date that an order is made or an effective resolution is passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer.

After Dexia BIL has fully paid all deferred interest on the issue of Subordinated Notes and if that issue of Junior Subordinated Notes remains outstanding, future interest payments on that issue of Junior Subordinated Notes will be subject to further deferral as described above.

Payments of principal and interest in respect of the Junior Subordinated Notes will be conditional on the Issuer being solvent at the time of payment by the Issuer and no principal or interest shall be due and payable in respect of the Junior Subordinated Notes except to the extent that the Issuer could make such payment in whole or in part, rateably with payments in respect of Junior Subordinated Notes, and still be solvent immediately thereafter.

Any deferral of interest payments will likely have an adverse effect on the market price of the Junior Subordinated Notes. In addition, as a result of the interest deferral provision of the Junior Subordinated Notes, the market price of the Junior Subordinated Notes may be more volatile than the market prices of other debt securities on which original issue discount or interest accrues that are not subject to such deferrals and may be more sensitive generally to adverse changes in Dexia BIL's financial condition.

A Noteholder's actual yield on the Notes may be reduced from the stated yield by transaction costs.

When Notes are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the security. These incidental costs may significantly reduce or even exclude the profit potential of the Notes.

For instance, credit institutions as a rule charge their clients for own commissions which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional – domestic or foreign – parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Noteholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs).

In addition to such costs directly related to the purchase of securities (direct costs), Noteholders must also take into account any follow-up costs (such as custody fees). Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Notes before investing in the Notes.

A Noteholder's effective yield on the Notes may be diminished by the tax impact on that Noteholder, as the case may be, of its investment in the Notes

Payments of interest on the Notes, or profits realised by the Noteholder, as the case may be, upon the sale or repayment of the Notes, may be subject to taxation in its home jurisdiction or in other jurisdictions in which it is required to pay taxes. The tax impact on Noteholders generally is described under "Taxation" below; however, the tax impact on an individual Noteholder may differ from the

situation described for Noteholders generally. The Issuer advises all investors to contact their own tax advisers for advice on the tax impact of an investment in the Notes.

Risks related to the structure of a particular issue of Warrants

Investment in Warrants involves a high degree of risk

Investment in Warrants involves a high degree of risk, which may include, among others, interest rate, foreign exchange, time value and political risks. Prospective purchasers of Warrants should recognise that their Warrants, other than any Warrants having a minimum expiration value, may expire worthless. Purchasers should be prepared to sustain a total loss of the purchase price of their Warrants except, if so indicated in the Final Terms for the Warrants, to the extent of any minimum expiration value attributable to such Warrants. This risk reflects the nature of a Warrant as an asset which, other factors held constant, tends to decline in value over time and which may become worthless when it expires (except to the extent of any minimum expiration value). See “Certain Factors Affecting the Value and Trading Price of Warrants” below. Prospective purchasers of Warrants should be experienced with respect to options and option transactions, should understand the risks of transactions involving the relevant Warrants and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Warrants in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Warrants and the particular reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference to which the value of the relevant Warrants may relate, as specified in the applicable Final Terms for the Warrants.

The risk of the loss of some or all of the purchase price of a Warrant upon expiration means that, in order to recover and realise a return upon his or her investment, a purchaser of a Warrant must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis which may be specified in the applicable Final Terms for the Warrants. Assuming all other factors are held constant, the more a Warrant is “out-of-the-money” and the shorter its remaining term to expiration, the greater the risk that purchasers of such Warrants will lose all or part of their investment. With respect to European-style Warrants, the only means through which a holder can realise value from the Warrant prior to the Exercise Date in relation to such Warrant is to sell it at its then market price in an available secondary market.

Fluctuations in the value of the relevant index or basket of indices will affect the value of Index Warrants. Fluctuations in the price of the relevant share or value of the basket of shares will affect the value of Share Warrants. Fluctuations in the price or yield of the relevant debt instrument or value of the basket of debt instruments will affect the value of Debt Warrants. Fluctuations in the rates of exchange between the relevant currencies will affect the value of Currency Warrants. Also, due to the character of the particular market on which a debt instrument is traded, the absence of last sale information and the limited availability of quotations for such debt instrument may make it difficult for many investors to obtain timely, accurate data for the price or yield of such debt instrument. Fluctuations in the value of the relevant commodity or basket of commodities will affect the value of Commodity Warrants. Purchasers of Warrants risk losing their entire investment if the value of the relevant underlying basis of reference does not move in the anticipated direction.

Certain Factors Affecting the Value and Trading Price of Warrants

The Settlement Amount at any time prior to expiration is typically expected to be less than the trading price of such Warrants at that time. The difference between the trading price and the Settlement Amount will reflect, among other things, the “time value” of the Warrants. The “time value” of the Warrants will depend partly upon the length of the period remaining to expiration and expectations concerning the value of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants. Warrants offer hedging and investment diversification opportunities but also pose some additional risks with regard to interim value. The interim value of the Warrants varies with the price level of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants, as well as a result of a number of other interrelated factors, including those specified herein.

Before exercising or selling Warrants, Warrantholders should carefully consider, among other things, (i) the trading price of the Warrants, (ii) the value and volatility of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants, (iii) the time remaining to expiration, (iv) the probable range of Settlement Amounts, (v) any change(s) in interim interest rates and dividend yields if applicable, (vi) any change(s) in currency exchange rates, (vii) the depth of the market or liquidity of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants and (viii) any related transaction costs.

Limitations on Exercise

If so indicated in the Final Terms for the Warrants, the Issuer will have the option to limit the number of Warrants exercisable on any date (other than the final exercise date) to the maximum number specified in the Final Terms for the Warrants and, in conjunction with such limitation, to limit the number of Warrants exercisable by any person or group of persons (whether or not acting in concert) on such date. In the event that the total number of Warrants being exercised on any date (other than the final exercise date) exceeds such maximum number and the Issuer elects to limit the number of Warrants exercisable on such date, a Warrantholder may not be able to exercise on such date all Warrants that such holder desires to exercise. In any such case, the number of Warrants to be exercised on such date will be reduced until the total number of Warrants exercised on such date no longer exceeds such maximum, such Warrants being selected at the discretion of the Issuer or in any other manner specified in the applicable Final Terms for the Warrants. Unless otherwise specified in the Final Terms for the Warrants, the Warrants tendered for exercise but not exercised on such date will be automatically exercised on the next date on which Warrants may be exercised, subject to the same daily maximum limitation and delayed exercise provisions.

Minimum Exercise Amount

If so indicated in the Final Terms for the Warrants, a Warrantholder must tender a specified number of Warrants at any one time in order to exercise. Thus, Warrantholders with fewer than the specified minimum number of Warrants will either have to sell their Warrants or purchase additional Warrants, incurring transaction costs in each case, in order to realise their investment. Furthermore, holders of such Warrants incur the risk that there may be differences between the trading price of such Warrants and the Settlement Amount of such Warrants.

Certain Considerations Regarding Hedging

Prospective purchasers intending to purchase Warrants to hedge against the market risk associated with investing in a reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference which may be specified in the applicable Final Terms for the Warrants, should recognise the complexities of utilising Warrants in this manner. For example, the value of the Warrants may not exactly correlate with the value of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis which may be specified in the applicable Final Terms for the Warrants. Due to fluctuating supply and demand for the Warrants, there is no assurance that their value will correlate with movements of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis which may be specified in the applicable Final Terms for the Warrants.

Time Lag after Exercise

In the case of any exercise of Warrants, there may be a time lag between the time a Warrantholder gives instructions to exercise and the time the applicable Settlement Amount relating to such exercise is determined. Such delay could be significantly longer than expected, particularly in the case of a delay in exercise of Warrants arising from any daily maximum exercise limitation, the occurrence of a market disruption event (if applicable) or following the imposition of any exchange controls or other similar regulations affecting the ability to obtain or exchange any relevant currency (or basket of currencies) in the case of Currency Warrants. The applicable Settlement Amount may change significantly during any such period, and such movement or movements could decrease the Settlement Amount of the Warrants being exercised and may result in such Settlement Amount being zero.

Certain Additional Risk Factors Associated with Currency Warrants

Fluctuations in exchange rates of the relevant currency (or basket of currencies) will affect the value of Currency Warrants. Furthermore, investors who intend to convert gains or losses from the exercise or sale of Currency Warrants into their home currency may be affected by fluctuations in exchange rates between their home currency and the relevant currency (or basket of currencies). Currency values may be affected by complex political and economic factors, including governmental action to fix or support the value of a currency (or basket of currencies), regardless of other market forces. Purchasers of Currency Warrants risk losing their entire investment if exchange rates of the relevant currency (or basket of currencies) do not move in the anticipated direction.

If additional warrants or options relating to particular currencies or currency indices are subsequently issued, the supply of warrants and options relating to such currencies or currency indices, as applicable, in the market will increase, which could cause the price at which the Warrants and such other warrants and options trade in the secondary market to decline significantly.

Risks related to Notes and Warrants generally

Set out below is a brief description of certain risks relating to the Notes and Warrants generally:

Modification, waivers and substitution

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Basel Capital Requirements Directive

On 17 December 2009, the Basel Committee on Banking Supervision (the "Basel Committee") proposed a number of fundamental reforms to the regulatory capital framework in its consultative document entitled "Strengthening the resilience of the banking sector". If the proposals made by the Basel Committee are implemented, this could result in the Dexia Group being subject to significantly higher capital requirements. The proposals include: (a) the build-up of a counter-cyclical capital buffer in excess of the regulatory minimum capital requirement, which is large enough to enable the Group to remain above the minimum capital requirement in the face of losses expected to be incurred in a feasibly severe downturn; (b) an increase in the capital requirements for counterparty risk exposures arising from derivatives, repo-style transactions and securities financing transactions; (c) the imposition of a leverage ratio as a supplementary measure to the existing Basel II risk-based measure; (d) the phasing out of hybrid capital instruments as Tier 1 capital and the requirement that the predominant form of Tier 1 capital must be common shares and retained earnings; and (e) the imposition of global minimum liquidity standards that include a requirement to hold a stock of unencumbered high quality liquid assets sufficient to cover cumulative net cash outflows over a 30-day period under a prescribed stress scenario. The proposed reforms are subject to a consultative process and an impact assessment and are not likely to be implemented before the end of 2012. The Basel Committee will also consider appropriate transition and grandfathering arrangements.

Since 1 January 2008, the Dexia Group has used the Advanced Internal Rating Based Approach ("AIRBA") for calculating its capital requirements and its solvency ratios. New models have been developed and will progressively be used for calculating regulatory capital from 31 December 2011. Dexia is heavily involved and very closely monitors national and international consultations by participating, in particular, in the study of the impact of the Bank for International Settlements on Basel III reform regarding the definition of capital, leverage ratio, liquidity ratios and so on. In this context, Dexia worked actively on application of Directives 2009/111/EC and 2010/76/EU of the European Parliament on Capital Requirements.

The trading market for debt securities may be volatile and may be adversely impacted by many events

The market for debt securities issued by banks is influenced by economic and market conditions and, to varying degrees, market conditions, interest rates, currency exchange rates and inflation rates in other European and other industrialised countries. There can be no assurance that events in Europe or elsewhere will not cause market volatility or that such volatility will not adversely affect the price of Notes and/or Warrants or that economic and market conditions will not have any other adverse effect.

European Monetary Union

If the United Kingdom joins the European Monetary Union prior to the maturity of the Notes and/or Warrants, there is no assurance that this would not adversely affect investors in the Notes and/or Warrants. It is possible that prior to the maturity of the Notes and/or Warrants the United Kingdom may become a participating Member State and that the Euro may become the lawful currency of the United Kingdom. In that event (i) all amounts payable in respect of any Notes and/or Warrants denominated in Sterling may become payable in Euro (ii) the law may allow or require such Notes and/or Warrants to be re-denominated into Euro and additional measures to be taken in respect of such Notes and/or Warrants; and (iii) there may no longer be available published or displayed rates for deposits in Sterling used to determine the rates of interest on such Notes and/or Warrants or changes in the way those rates are calculated, quoted and published or displayed. The introduction of the Euro could also be accompanied by a volatile interest rate environment, which could adversely affect investors in the Notes and/or Warrants.

EU Savings Directive

Under EC Council Directive 2003/48/EC on taxation of savings income (the “EU Savings Directive”), Member States are required, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident or to certain other persons established in that other Member State. However, for a transitional period, Luxembourg and Austria may instead (unless during that period they elect otherwise) operate a withholding system in relation to such payments subject to a procedure whereby on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories, including Switzerland, have adopted similar measures (a withholding system in the case of Switzerland).

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer, any Paying Agent, nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuer will be required, save as provided in the Terms and Conditions of the Notes, to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the EU Savings Directive.

The European Commission has proposed certain amendments to the EU Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

Change of law

The General Conditions of the Book-Entry Warrants are, and the Terms and Conditions of the Senior Notes may be, based on English law, and the Terms and Conditions of the Subordinated Notes and the General Conditions of the Bearer Warrants are, and the Terms and Conditions of the Senior Notes may be, based on Luxembourg law, in each case in effect as at the date of issue of the relevant Notes and/or Warrants. No assurance can be given as to the impact of any possible judicial decision or change to English law or Luxembourg law or administrative practice after the date of issue of the relevant Notes and/or Warrants.

Risks related to the market generally

Set out below is a brief description of certain market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes and/or Warrants may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes and/or Warrants easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes and/or Warrants that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes and/or Warrants generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes and/or Warrants.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the equivalent yield on the Notes in the Investor's Currency, (2) the equivalent value of the principal payable on the Notes in the Investor's Currency and (3) the equivalent market value of the Notes in the Investor's Currency.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes and/or Warrants are legal investments for it, (2) Notes and/or Warrants can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes and/or Warrants. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes and/or Warrants under any applicable risk-based capital or similar rules.

GENERAL DESCRIPTION OF THE PROGRAMME

The Issuer has given an undertaking to the Dealers that if at any time during the duration of the Programme there is a significant new factor, material mistake or inaccuracy relating to information contained in this Prospectus which is capable of affecting the assessment of any Notes or Warrants and whose inclusion in or removal from this Prospectus is necessary for the purpose of allowing an investor to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer, and the rights attaching to the Notes or Warrants, the Issuer shall prepare a supplement to this Prospectus or publish a replacement Prospectus for use in connection with any subsequent offering of the Notes or the Warrants and shall supply to each Dealer such number of copies of such supplement hereto as such Dealer may reasonably request.

TERMS AND CONDITIONS OF THE SENIOR NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Tranche. Either (i) the full text of these terms and conditions together with Part A of the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non- applicable provisions), shall be endorsed on such Bearer Notes or on the Registered Note Certificates relating to such Registered Notes. All capitalised terms that are not defined in these conditions will have the meanings given to them in the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Registered Note Certificates, as the case may be. References in these Conditions to "Notes" are to the Senior Notes of one Series only, not to all Senior Notes that may be issued under the Programme.

An Agency Agreement (as further amended or supplemented as at the date of issue of the Notes (the "Issue Date") (the "Agency Agreement") dated 9 November, 1995 as amended and restated on 31 March, 2011 between the Issuer and the other agents named in it, has been entered into in relation to the Notes. The fiscal agent, the paying agents, the registrars, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "Fiscal Agent", the "Paying Agents" (which expression shall include the Fiscal Agent), the "Registrars", the "Transfer Agents" and the "Calculation Agent(s)". The Noteholders (as defined below), the holders of the interest coupons (the "Coupons") relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the "Talons") (the "Couponholders") and the holders of the receipts for the payment of instalments of principal (the "Receipts") relating to Notes in bearer form of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Copies of the Agency Agreement are available for inspection free of charge at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1. Form, Denomination and Title

The Notes are issued in bearer form ("Bearer Notes", which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form ("Registered Notes") or in bearer form exchangeable for Registered Notes ("Exchangeable Bearer Notes") in each case in the Specified Denomination(s) shown hereon, provided that the minimum Specified Denomination shall be EUR 1,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly Paid Note, a combination of any of the foregoing or any other kind of Note depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered note certificates ("Registered Note Certificates") and, save as provided in Condition 2(c), each Registered Note Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "Register"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Registered Note Certificate representing it) or its theft or loss (or that of the related Registered Note Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "Noteholder" means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), "holder" (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes:

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) Transfer of Registered Notes:

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Registered Note Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Registered Note Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer) duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Registered Note Certificate, a new Registered Note Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Registered Note Certificate representing the enlarged holding shall only be issued against surrender of the Registered Note Certificate representing the existing holding.

(c) Exercise of Options or Partial Redemption in Respect of Registered Notes:

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Registered Note Certificate, a new Registered Note Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Registered Note Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Registered Note Certificates shall only be issued against surrender of the existing Registered Note Certificates to the Registrar or any Transfer Agent.

(d) Delivery of New Registered Note Certificates:

Each new Registered Note Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 6(e)) and in each case surrender of the Registered Note Certificate for exchange. Delivery of the new Registered Note Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Registered Note Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Registered Note Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in Luxembourg and in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge:*

Exchange and transfer of Notes and Registered Note Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) *Closed Periods:*

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of 7 days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Registered Note Certificate is simultaneously surrendered not later than the relevant Record Date.

3. Status

The Notes, Receipts and Coupons constitute (subject to Condition 4) direct, unconditional, unsecured and unsubordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes, Receipts and Coupons shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer present and future (including deposits).

4. Negative Pledge

(a) *Restriction:*

The Issuer undertakes that, so long as any of the Notes, Receipts or Coupons remain outstanding (as defined in the Agency Agreement), it shall not create or have outstanding any mortgage, charge, pledge, lien (other than a lien arising solely by operation of law in the ordinary course of business) or other encumbrance upon, or with respect to, the whole or any part of its present or future property, assets or revenues to secure repayment of, or to secure any guarantee of or indemnity in respect of, any external indebtedness unless the Notes, Receipts and Coupons (A) are, at the same time, secured equally and rateably therewith, or (B) have the benefit of such other security or other arrangement as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders. However, this undertaking shall not include any liabilities, indebtedness, guarantee or depreciation of the Issuer's assets in relation with any issues made by the Issuer's subsidiary, Dexia LdG Banque S.A., in the form of covered bonds or similar instruments.

(b) *External indebtedness:*

In this Condition 4, "external indebtedness" means any obligation for the repayment of borrowed money in the form of, or represented by, bonds, notes, debentures or other securities (i) that on issue were offered through an international group of banks or financial institutions as to more than 50 per cent. in issue amount outside Luxembourg and (ii) that are, or are capable of being, quoted, listed or ordinarily traded on any stock exchange, automated trading system, over-the-counter or other securities market.

5. Interest and Other Calculations

(a) *Interest on Fixed Rate Notes:*

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(h).

(b) *Interest on Floating Rate Notes and Index Linked Interest Notes:*

(i) *Interest Payment Dates:* Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest

being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(h). The Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.
- (iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply depending upon which is specified hereon:

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date" and "Swap Transaction" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (x) (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than

one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms;

- (y) if the Relevant Screen Page is not available or if sub-paragraph (x)(1) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(iv) *Rate of Interest for Index Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes for each interest Accrual Period shall be determined in the manner specified hereon and interest will accrue by reference to an index or formula as specified hereon.

(c) *Zero Coupon Notes:*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).

(d) *Dual Currency Notes:*

In the case of Dual Currency Notes, if the rate or amount of interest is to be determined by reference to a Rate of Exchange or a method of calculating Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified hereon.

(e) *Partly-Paid Notes:*

In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.

(f) *Accrual of Interest:*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(g) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:*

(i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.

(ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

(iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(h) *Calculations:*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Amounts shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is

required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

- (i) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:*

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them hereon and for so long as any Note is outstanding. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or financial institution engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

6. Redemption, Purchase and Options

(a) *Redemption by Instalments and Final Redemption:*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) *Early Redemption:*

(i) *Zero Coupon Notes:*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii) *Other Notes:*

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount together (if applicable) with interest accrued to, but excluding, the date fixed for redemption unless otherwise specified hereon.

(c) *Redemption for Taxation Reasons:*

The Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Note is either a Floating Rate Note or an Index Linked Note) or at any time (if this Note is neither a Floating Rate Note nor an Index Linked Note), on giving not less than 30 nor more than 45 days' notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable), at their Early Redemption Amount (as described in Condition 6(b) above) (together with interest accrued to the date fixed for redemption), if (i) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in the laws or regulations of Luxembourg (or in the official application of such laws or regulations) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application of such laws or regulations, which change or amendment becomes effective on or after the Issue Date, and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall make available at the specified offices of the Fiscal Agent and the Paying Agent a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

(d) *Redemption at the Option of the Issuer:*

If Call Option is specified hereon (the details of which will be specified in the relevant Final Terms), the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders in accordance with Condition 14 (or such other notice period as may be specified hereon) redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes or, in the case of Registered Notes, shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

(e) *Redemption at the Option of Noteholders:*

If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent (in the case of Bearer Notes) or the Registered Note Certificate representing such Note(s) with the Registrar or any Transfer Agent (in the case of Registered Notes) at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Registered Note Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) *Partly-Paid Notes:*

Partly-Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified hereon.

(g) *Purchases:*

In addition to Notes, Receipts or Coupons purchased in the ordinary course of dealing in securities on behalf of third parties, the Issuer or any of its Subsidiaries (as defined below) may at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price in accordance with applicable laws (if any). The Notes so purchased, while held by or on behalf of the Issuer or any of its Subsidiaries shall not entitle the holder to vote at any meetings of the Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Noteholders or for the purposes of Condition 11 (a). "Subsidiary" means any company 50 per cent. or more of the equity share capital of which is owned directly or indirectly by the Issuer. Such Notes may be reissued or resold by the Issuer or its Subsidiaries.

(h) *Cancellation:*

All Notes that are redeemed shall be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith) and accordingly may not be reissued or resold.

7. Payments and Talons

(a) *Bearer Notes:*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is

presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of EUR, in a city in which banks have access to the TARGET System.

(b) *Registered Notes:*

- (ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States:*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws:*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents:*

The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and any Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and the Calculation Agent(s) act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, any Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes in Luxembourg, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, (vi) such other agents as may be required by the rules of any other stock exchange on which the Notes may be listed and (vii) to the extent not satisfied by (v) or (vi) above, a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any law implementing European Union Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000. Notice of any such termination or appointment and of any change in the specified office through which any Paying Agent acts will be given in accordance with Condition 14.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) *Unmatured Coupons and Receipts and unexchanged Talons:*

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes (other than Dual Currency Notes or Index Linked Notes) should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, Dual Currency Interest Note or Index Linked Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Registered Note Certificate representing it, as the case may be.

Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Registered Note Certificate representing it, as the case may be.

(g) *Talons:*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days:*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph (h), "business day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" hereon and:

- (i) (in the case of a payment in a currency other than EUR) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign

exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or

- (ii) (in the case of a payment in EUR) which is a TARGET Business Day.

8. Taxation

All payments of principal and interest in respect of the Notes, the Receipts and the Coupons shall be made free and clear of, without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Luxembourg or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as shall result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) *Other connection:*

to, or to a third party on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with Luxembourg other than the mere holding of the Note, Receipt or Coupon;

- (b) *Lawful avoidance of withholding:*

presented (or in respect of which the Registered Note Certificate representing it is presented) for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day;

- (c) *Payment to individuals and residual entities:*

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or

- (d) *Payment by another Paying Agent:*

(except in the case of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, "Relevant Date" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Registered Note Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) "principal" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) "interest" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) "principal" and/or "interest" shall be deemed to include any additional amounts that may be payable under this Condition.

9. Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default

If any of the following events (“Events of Default”) occurs and is continuing, the holder of any Note may give written notice to the Fiscal Agent at its specified office that such Note is immediately repayable, whereupon the Early Redemption Amount of such Note together (if applicable) with accrued interest to the date of payment shall become immediately due and payable:

- (a) *Non-Payment*: default is made for more than 14 days (in the case of interest) or 7 days (in the case of principal) in the payment on the due date of interest or principal in respect of any of the Notes; or
- (b) *Breach of Other Obligations*: the Issuer defaults in performance or observance of, or compliance with, any of its other obligations in the Notes which default is incapable of remedy or which, if capable of remedy, is not remedied within 21 days after notice of such default shall have been given to the Fiscal Agent at its specified office by any Noteholder; or
- (c) *Enforcement Proceedings*: a distress, attachment, execution or other legal process is levied, enforced or sued out on or against all or a material part of the property, assets or revenues of the Issuer and is not stayed or discharged within 21 days; or
- (d) *Security Enforced*: any present or future mortgage, charge, pledge, lien or other encumbrance on or over all or a material part of the property, assets or revenues of the Issuer becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, manager, administrator or other similar person) and such enforcement or step is not stayed or discharged within 21 days; or
- (e) *Insolvency*: the Issuer becomes insolvent within the meaning of Luxembourg law or applies for or consents to or suffers the appointment of a liquidator (*liquidateur*) or receiver of the Issuer or of the whole or any substantial part of the undertaking, property, assets or revenues of the Issuer or initiates any proceedings under any law for a readjustment or deferment of its obligations or any substantial part thereof or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors or an order is made or an effective resolution is passed for the dissolution (dissolution) or liquidation (liquidation) of the Issuer or to admit the Issuer to a regime of suspension of payments (*sursis de paiement*); or
- (f) *Cessation of Business*: the Issuer ceases to carry on business (except for the purpose of any amalgamation, merger or other reorganisation under which the continuing or successor corporation has assumed all of the assets and business undertakings of the Issuer pursuant to Condition 11(c) and has expressly and effectively assumed the obligations of the Issuer under the Notes); or
- (g) *Cross-Default*: (i) any loan or other present or future indebtedness of the Issuer for or in respect of moneys borrowed or raised and not being money deposited with the Issuer or transferred pursuant to a fiduciary contract within the meaning of the law of 27 July, 2003, as amended from time to time, or otherwise borrowed in the ordinary course of business of the Issuer (“Relevant Indebtedness”) becomes due and payable prior to its stated maturity otherwise than at the option of the Issuer, or (ii) the Issuer fails to make any payment in respect of Relevant Indebtedness on the due date for such payment as extended by any originally applicable grace period, or (iii) the security for any Relevant Indebtedness becomes enforceable, or (iv) default is made by the Issuer in making any payment due under any present or future guarantee and/or indemnity given by it of, or in respect of, Relevant Indebtedness provided that the aggregate amount of the Relevant Indebtedness in respect of which one or more of the events mentioned above in this paragraph (g) have occurred equals or exceeds U.S.\$10,000,000 or its equivalent (on the basis of the middle spot rate for the relevant currency against the U.S. dollar as quoted by any leading bank on the day on which this paragraph operates).

11. Meetings of Noteholders, Modifications and Substitution

The following applies in the case of all Senior Notes other than Senior Notes governed by Luxembourg law:

(a) Meetings of Noteholders:

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions. For so long as the Notes are listed on Euronext Paris, notice of the date, time, place and agenda of such meeting will be published as provided under Condition 14. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes or (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) Modification of Agency Agreement:

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

(c) Substitution:

The Issuer, or any previous substituted company, may at any time, without the consent of the Noteholders or the Couponholders, substitute for itself as principal debtor under the Notes, the Receipts, the Coupons and the Talons any Subsidiary of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the "Substitute") provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no order has been made or resolution passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer. Such substitution effected in accordance with this Condition will release the Issuer or any previous substituted company and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by a deed poll (the "Deed Poll"), to be substantially in the form scheduled to the Agency Agreement as Schedule 10A and may take place only if (i) the Substitute shall, by means of the Deed Poll, agree to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation with respect to any Note, Receipt, Coupon, Talon or the Deed of Covenant and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution; (ii) if the Substitute is a

Subsidiary of the Issuer, the obligations of the Substitute under the Deed Poll, the Notes and the Coupons shall be unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a “Guarantor”) by means of a guarantee substantially in the form contained in the Deed Poll (the “Guarantee”); (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Notes, Receipts, Coupons, Talons and Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and in the case of the Deed Poll of the Guarantor have been taken, fulfilled and done and are in full force and effect; (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it; (v) legal opinions addressed to the Noteholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above as to the fulfilment of the preceding conditions of this Condition 11(c) and the other matters specified in the Deed Poll; (vi) the substitution does not affect adversely the rating of the Notes by Moody’s Investors Service Ltd. and Standard & Poor’s Rating Group or if any such rating agency does not exist at the relevant time any two existing internationally recognised rating agencies and (vii) the Issuer shall have given at least 30 days’ prior notice of such substitution to the Noteholders, to be published in accordance with Condition 14, stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents. References in Condition 10 to obligations under the Notes shall be deemed to include obligations under the Deed Poll and, where the Deed Poll contains a Guarantee, the events listed in Condition 10 shall be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect and the Guarantee shall contain (a) events of default in respect of the Notes in the same terms as Condition 10 of the Notes relating to the Guarantor (except that references in Condition 10(a) to failure to pay principal and interest on the Notes shall be a reference to failure to pay under the Guarantee), (b) clauses relating to the Guarantor in the form of Conditions 6(f) and (9) and (c) and a negative pledge in relation to the Guarantee in the form of Condition 4. References to “outstanding” in relation to the Notes of any Series shall, on a substitution of the Issuer where the Guarantor guarantees the Notes, not include Notes held by the Guarantor and its subsidiaries for the purposes of (i) ascertaining the right to attend and vote at any meeting of the Noteholders and (ii) the determination of how many Notes are outstanding for the purposes of Condition 11.

The following applies in the case of all Senior Notes governed by Luxembourg law:

(a) *Meetings of Noteholders:*

Noteholders will belong to a masse (the “Masse”) created, among other things, for the representation of their common interests pursuant to the provisions of the law of 10 August, 1915 on commercial companies, as amended (*loi du 10 aout 1915 concernant les sociétés commerciales, telle qu’elle a été modifiée*) (the “Luxembourg Company Law”). The discussion below is based on the Luxembourg Company Law in effect on the Issue Date. Any subsequent amendments to the relevant provisions of the Luxembourg Company Law may amend or modify the discussion below. A general meeting of the Noteholders (the “Masse Meeting”) may appoint and determine the powers of one or more representatives (the “Representatives”). Where Representatives have been appointed, Noteholders may no longer individually exercise their rights against the Issuer. A Masse Meeting may be called at any time by the Representatives (if any) or the Board of Directors of the Issuer. The Representatives, provided an advance on expenses has been paid to them, or the Board of Directors must convene the Masse Meeting if called upon to do so by holders of Notes representing 5 per cent. or more of the Notes outstanding. All Masse Meetings shall be held at the place specified in the notice calling the meeting and such notice must be published as provided under Condition 14. All Noteholders have the right to attend and vote at the Masse Meeting either personally or by proxy. The voting rights attached to the Notes are equal to the proportion of the principal amount of the outstanding Notes represented by the principal amount of the Note or Notes held by the relevant holder. A Masse Meeting may be called in the event of a merger involving the Issuer, may approve certain changes in the rights of the Noteholders and may, generally, determine any measures designed to ensure the defence of interests or the exercise of the rights of the Noteholders in accordance with the provisions of the Luxembourg Company Law. A Masse Meeting may deliberate validly without a quorum and by vote of a simple majority of Noteholders attending or represented at such Masse Meeting on the appointment and revocation of the Representatives, the revocation of

special representatives appointed by the Issuer and the approval of any measures of a conservatory nature in the general interests of the Noteholders. On all other matters (except in respect of certain matters, including a change in the nationality of the Issuer, where unanimous consent is required) the Masse Meeting may deliberate validly on first convocation only if Noteholders present or represented hold at least 50 per cent. of the Notes then outstanding. On second convocation no quorum is required. Decisions at such meetings shall be taken by a majority of 66^{2/3} per cent. of the votes cast by Noteholders attending such meetings or represented thereat.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) *Modification of Agency Agreement:*

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

(c) *Substitution:*

Subject to the provisions of this Condition, the Noteholders and the Couponholders by subscribing to or purchasing any Notes or Coupons, expressly consent to the Issuer, or any previously substituted company, at any time, substituting for itself as principal debtor under the Notes, the Receipts, the Coupons and the Talons any Subsidiary of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the "Substitute") provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no order has been made or resolution passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer. Such substitution effected in accordance with this Condition will release the Issuer or any previous substituted company and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by written undertaking (the "Undertaking"), to be substantially in the form scheduled to the Agency Agreement as Schedule 10B and may take place only if (i) the Substitute shall, by means of the Undertaking, agree to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation with respect to any Note, Receipt, Coupon, Talon or the Deed of Covenant and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution; (ii) if the Substitute is a Subsidiary of the Issuer, the obligations of the Substitute under the Undertaking, the Notes and the Coupons shall be unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a "Guarantor") by means of a guarantee substantially in the form contained in the Undertaking (the "Guarantee"); (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Undertaking, the Notes, Receipts, Coupons, Talons and Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and in the case of the Undertaking of the Guarantor have been taken, fulfilled and done and are in full force and effect; (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it; (v) legal opinions addressed to the Noteholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above as to the fulfilment of the preceding conditions of this Condition 11(c) and the other matters specified in the Undertaking; (vi) the substitution does not affect adversely the rating of the Notes by Moody's Investors Service Ltd. and Standard & Poor's Rating Group or if any such rating agency does not exist at the relevant time any two existing internationally recognised rating agencies; and (vii) the Issuer shall have given at least 30 days' prior notice of such substitution to the Noteholders, to be published in accordance with Condition 14, stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents. References in Condition 10 to obligations under the Notes shall be deemed to include obligations under the Undertaking and, where the Undertaking contains a Guarantee, the events listed in Condition 10 shall

be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect and the Guarantee shall contain (a) events of default in respect of the Notes in the same terms as Condition 10 of the Notes relating to the Guarantor (except that references in Condition 10(a) to failure to pay principal and interest on the Notes shall be a reference to failure to pay under the Guarantee), (b) clauses relating to the Guarantor in the form of Conditions 6(f) and (9) and (c) and a negative pledge in relation to the Guarantee in the form of Condition 4.

12. Replacement of Notes, Registered Note Certificates, Receipts, Coupons and Talons

If a Note, Registered Note Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of a Fiscal Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Registered Note Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Registered Note Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Registered Note Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Registered Note Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in these Conditions to "Issue Date" shall be to the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to "Notes" shall be construed accordingly.

14. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and shall be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing and, for so long as the Registered Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall in addition be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) except that for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

15. Currency Indemnity

Any amount received or recovered in a currency other than the currency in which payment under the relevant Note, Coupon or Receipt is due (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise) by any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the currency of payment under the relevant Note, Coupon or Receipt that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the amount received or recovered is less than the amount expressed to be due to the recipient under any Note, Coupon or Receipt, the Issuer shall indemnify it against any loss sustained by it as a

result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it shall be sufficient for the Noteholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, Coupon or Receipt or any other judgment or order.

16. Governing Law and Jurisdiction

The following applies in the case of all Senior Notes other than Senior Notes governed by Luxembourg law:

(a) Governing Law:

The Notes, the Receipts, the Coupons and the Talons, and any non-contractual obligations arising out of or in connection with them, are governed by, and shall be construed in accordance with, English law. Application of articles 86 to 94-8 of the Luxembourg law of 10 August, 1915 on commercial companies is specifically excluded.

(b) Jurisdiction:

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

(c) Service of Process:

The Issuer irrevocably appoints Dexia Management Services Limited, at Shackleton House, Hay's Galleria, 4 Battle Bridge Lane, London SE1 2RB as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 14. Nothing shall affect the right to serve process in any manner permitted by law.

The following applies in the case of all Senior Notes governed by Luxembourg law:

(a) Governing Law:

The Notes, the Receipts, the Coupons and the Talons, and any non-contractual obligations arising out of or in connection with them, are governed by, and shall be construed in accordance with, Luxembourg law.

(b) Jurisdiction:

The courts of Luxembourg are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Luxembourg and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

The following applies in the case of all Senior Notes other than Senior Notes governed by Luxembourg law:

17. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

TERMS AND CONDITIONS OF THE SUBORDINATED NOTES

The following (apart from the text in italics) is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Subordinated Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Tranche. Either (i) the full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Registered Note Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Registered Note Certificates, as the case may be. References in these Conditions to “Notes” are to the Subordinated Notes of one Series only, not to all Subordinated Notes that may be issued under the Programme.

An Agency Agreement (as further amended or supplemented as at the date of issue of the Notes (the “Issue Date”)) (the “Agency Agreement”) dated 9 November, 1995 as amended and restated on 31 March, 2011 between the Issuer and the other agents named in it has been entered into in relation to the Notes. The fiscal agent, the paying agents, the registrars, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Fiscal Agent”, the “Paying Agents” (which expression shall include the Fiscal Agent), the “Registrars”, the “Transfer Agents” and the “Calculation Agent(s)”. The Noteholders (as defined below), the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the receipts for the payment of instalments of principal (the “Receipts”) relating to Notes in bearer form of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Copies of the Agency Agreement are available for inspection free of charge at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1. Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“Registered Notes”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) in each case in the Specified Denomination(s) shown hereon.

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly-Paid Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered note certificates (“Registered Note Certificates”) and, save as provided in Condition 2(c), each Registered Note Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Registered Note Certificate representing it) or its theft or loss

(or that of the related Registered Note Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts (if any) relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes:

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 6(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) Transfer of Registered Notes:

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Registered Note Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Registered Note Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer) duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Registered Note Certificate, a new Registered Note Certificate shall be issued to the transferee in respect of the part transferred and a further new Registered Note Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Registered Note Certificate representing the enlarged holding shall only be issued against surrender of the Registered Note Certificate representing the existing holding.

(c) Exercise of Options or Partial Redemption in Respect of Registered Notes:

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Registered Note Certificate, a new Registered Note Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Registered Note Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Registered Note Certificates shall only be issued against surrender of the existing Registered Note Certificates to the Registrar or any Transfer Agent.

(d) Delivery of New Registered Note Certificates:

Each new Registered Note Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer and in each case surrender of the Registered Note Certificate for exchange. Delivery of the new Registered Note Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer or Registered Note Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Registered Note Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business

in Luxembourg and in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge:*

Exchange and transfer of Notes and Registered Note Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) *Closed Periods:*

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(e), (iii) after any such Note has been called for redemption or (iv) during the period of 7 days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Registered Note Certificate is simultaneously surrendered not later than the relevant Record Date.

3. Status and Subordination

(a) *Status of Senior Subordinated Notes:*

Notes in respect of which the status is specified hereon as “Senior Subordinated” (“Senior Subordinated Notes”) and the Receipts and Coupons relating to them constitute direct, unsecured and subordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Senior Subordinated Notes and the Receipts and Coupons relating to them shall at all times rank equally with all other Senior Subordinated Obligations (as defined below).

Senior Subordinated Notes that constitute Lower Tier II Capital will have a minimum maturity of five years.

(b) *Subordination of Senior Subordinated Notes:*

In the event of the winding up of the Issuer, the rights of the holders of Senior Subordinated Notes and the Receipts and Coupons relating to them shall rank ahead of:

- (i) those persons whose claims are in respect of any class of equity (including preference shares) of the Issuer; and
- (ii) creditors whose claims are in respect of any obligations of the Issuer that rank or are expressed to rank (whether only in the winding up of the Issuer or otherwise) junior to Senior Subordinated Obligations,

but shall be subordinated to the claims of:

- (iii) all Senior Creditors.

(c) *Status of Junior Subordinated Notes:*

Notes in respect of which the status is specified hereon as “Junior Subordinated” (“Junior Subordinated Notes”) and the Receipts and Coupons relating to them constitute direct, unsecured and subordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Junior Subordinated Notes and the Receipts and Coupons relating to them shall at all times rank equally with all other Junior Subordinated Obligations (as defined below).

Junior Subordinated Notes that have a scheduled maturity date and constitute Upper Tier II Capital will have a minimum maturity of five years or may be undated.

(d) *Subordination of Junior Subordinated Notes:*

The rights of the holders of Junior Subordinated Notes and the Receipts and Coupons relating to them shall rank ahead of:

- (i) those persons whose claims are in respect of any class of equity (including preference shares) of the Issuer; and
- (ii) creditors whose claims are in respect of any obligations that rank or are expressed to rank junior to any Junior Subordinated Obligations or the claims of holders of such Notes, Receipts and Coupons,

but shall be subordinated to the claims of:

- (iii) all other creditors of the Issuer whose claims do not rank or are not expressed to rank *pari passu* with the claims of the holders of Junior Subordinated Notes and are not referred to in paragraph (d) (including creditors whose claims are in respect of Senior Subordinated Obligations);

and payments of principal and interest in respect of the Junior Subordinated Notes will be conditional on the Issuer being solvent at the time of payment by the Issuer and no principal or interest shall be due and payable in respect of the Junior Subordinated Notes except to the extent that the Issuer could make such payment in whole or in part, rateably with payments in respect of Junior Subordinated Notes, and still be solvent immediately thereafter. For the purpose of this paragraph the Issuer shall be solvent if (i) it is able to pay its debts as they fall due, (ii) its Assets exceed its Liabilities, other than its Liabilities to persons who are not Prior Ranking Creditors (in each case as defined below), (iii) the Issuer's Eligible Own Funds are at least equal to the amount of the Issuer's Overall Capital Requirements (in each case as defined below) and (iv) the Issuer's Eligible Own Funds are at least equal to the minimum amount set out in Article 8 of the Law of 5 April, 1993 on the financial sector, as amended. A report as to the solvency of the Issuer by two directors of the Issuer or (if the Issuer is in winding-up) its liquidator shall in the absence of proven error be treated and accepted by the Issuer and the holders of Junior Subordinated Notes and the Receipts and Coupons relating to them as correct and sufficient evidence thereof.

(e) *Defined Terms:*

In this Condition:

"Assets" means the total assets of the Issuer and "Liabilities" means the total liabilities of the Issuer (excluding for the avoidance of doubt, any capital, reserves, profits for the relevant financial year, profits brought forward or funds for general banking risks) each as shown by the latest published non-consolidated audited balance sheet of the Issuer, but adjusted for contingencies and for subsequent events, valued in such manner as such directors or liquidator (as the case may be) referred to above may determine consistent with generally accepted accounting principles;

"Circular" means Circular No. 06/273 entitled "The definition of capital adequacy ratios pursuant to Article 56 of the Law of 5 April, 1993 on the financial sector (application to credit institutions)" issued by the *Commission de Surveillance du Secteur Financier* (the "CSSF");

"Eligible Own Funds" shall have the meaning given thereto in, and be calculated in accordance with, the Circular;

"Junior Subordinated Obligations" means claims of creditors of the Issuer which are subordinated so as to rank or are expressed to rank *pari passu* with the claims of the holders of Junior Subordinated Notes and the Receipts and Coupons relating to them;

"Overall Capital Requirements" shall have the meaning given thereto in, and be calculated in accordance with, the Circular;

"Prior Ranking Creditors" means all creditors of the Issuer other than the creditors whose claims are referred to in paragraph (d)(2) above and creditors whose claims rank or are expressed to rank *pari passu* with the claims of holders of the Junior Subordinated Notes and the Receipts and Coupons relating to them and for the avoidance of doubt, other than all persons whose claims are referred to in paragraph (d)(1) above;

"Senior Creditors" means all creditors of the Issuer who are depositors or other general, unsubordinated creditors; and

"Senior Subordinated Obligations" means all indebtedness and monetary obligations of the Issuer present and future that rank or are expressed to rank junior in right of payment (whether only in the event of the winding up of the Issuer or otherwise) to the claims of Senior Creditors

but that are not subordinated so as to rank in point of subordination junior to any other obligations of the Issuer.

If the Issuer would not otherwise be solvent for the purposes of this paragraph, the amount of the principal and sums which would otherwise be payable as interest on the Junior Subordinated Notes will be available to meet any losses of the Issuer.

4. Interest and Other Calculations

(a) *Rate of Interest and Accrual on Senior Subordinated Notes and Optional and Compulsory Payment of Interest on Junior Subordinated Notes:*

(i) Each Senior Subordinated Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be calculated in accordance with Condition 4(h).

(ii) Each Junior Subordinated Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest. Interest on Junior Subordinated Notes shall (subject to Condition 3(d)) be payable on each Compulsory Interest Payment Date in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date there may be paid (if the Issuer so elects but subject to Condition 3(d)) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer for any purpose. The Issuer shall notify the Noteholders five business days prior to each Interest Payment Date of the result of such election.

(iii) Without prejudice to Condition 9(b), any interest not paid on an Interest Payment Date relating to a Junior Subordinated Note shall, so long as the same remains unpaid, constitute "Arrears of Interest". Arrears of Interest may at the option of the Issuer be paid in whole or in part at any time after the expiry of and after not less than seven days' notice to such effect given by the Issuer to the Noteholders in accordance with Condition 13 below provided that all accrued Additional Interest as defined below on such Arrears of Interest is paid. All Arrears of Interest on all Junior Subordinated Notes outstanding shall (subject to Condition 3(d)) become due in full on whichever is the earliest of (A) the Interest Payment Date immediately following the date upon which a dividend is next declared on any class of share capital of the relevant Issuer, (B) the date set for redemption in respect of any Junior Subordinated Note pursuant to Condition 5 or, where all the Junior Subordinated Notes are purchased by the Issuer (other than in the ordinary course of the business of dealing in securities on behalf of third parties) pursuant to Condition 5(g), and (C) the date that an order is made or an effective resolution is passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer.

if notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged (subject to Condition 3(d)) to do so on the expiry of such notice.

Where Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full.

In these Conditions:

"Compulsory Interest Payment Date" means if, in the twelve months ending on the day immediately preceding an Interest Payment Date, any dividend has been declared on any class of share capital of the Issuer, that Interest Payment Date; and

"Optional Interest Payment Date" means any Interest Payment Date other than a Compulsory Interest Payment Date.

(iv) Arrears of Interest shall bear interest ("Additional Interest") at the Rate of Interest plus an additional rate of 1.5 per cent. per annum which shall be calculated in accordance with

paragraph (f) below and accrue on a daily basis, for each successive period of twelve calendar months (“Additional Interest Period”) from and including the first Interest Payment Date on which such Arrears of Interest may or should have been paid and ending on the day immediately preceding the last date of the Additional Interest Period. The Issuer can elect to pay any Additional Interest on the date that any Arrears of Interest are to be paid by the Issuer pursuant to these Conditions but the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer for any purpose. All Additional Interest which is not paid on any Interest Payment Date at the end of each Additional Interest Period, shall become Arrears of Interest and bear interest accordingly.

- (v) Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 7).

- (b) *Interest on Floating Rate Notes and Index Linked Interest Notes:*

- (i) *Interest Payment Dates:*

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(h). The Interest Payment Date(s) is/are either shown hereon, as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention:*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

- (iii) *Rate of Interest for Floating Rate Notes:*

The Rate of Interest in respect of Floating Rate Notes, for each Interest Accrual Period shall be determined in the manner specified herein and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply depending upon which is specified hereon:

- (A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

for the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period:

- (x) (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms;

- (y) if the Relevant Screen Page is not available or if sub-paragraph (x)(1) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the

Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(iv) *Rate of Interest for Index Linked Interest Notes:*

The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified hereon and interest will accrue by reference to an Index or Formula as specified hereon.

(c) *Zero Coupon Senior Subordinated Notes:*

Where a Senior Subordinated Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Senior Subordinated Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Senior Subordinated Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 5(c)).

(d) *Dual Currency Notes:*

In the case of Dual Currency Notes, if the rate or amount of interest is to be determined by reference to a Rate of Exchange or a method of calculating Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified hereon.

(e) *Partly-Paid Notes:*

In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.

(f) *Accrual of Interest:*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 7).

(g) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:*

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.

- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means, the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(h) *Calculations:*

The amount of interest payable per Calculation Amount (subject to Condition 3(b) and (d)) in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(i) *Determination and Publication of Rates of Interest, Interest Amounts and, in the case of Senior Subordinated Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:*

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, (in the case of Senior Subordinated Notes) calculate the Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest, Interest Amount, Interest Period Date and Interest Payment Date, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) *Definitions:*

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

"Business Day" means:

- (i) in the case of a currency other than EUR, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for such currency; and/or
- (ii) in the case of EUR, a day on which the TARGET System is operating (a "TARGET Business Day"); and/or

fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount or Early Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or financial institution engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. 5. Redemption, Purchase and Options

(a) Redemption of Senior Subordinated Notes:

- (i) Unless previously redeemed (with the consent of the CSSF), purchased and cancelled as provided in this Condition 5 or the relevant Instalment Date (being one of the dates so specified hereon) is extended pursuant to any Issuer's option in accordance with Condition 5(e) or (g), each Senior Subordinated Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Senior Subordinated Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Senior Subordinated Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed (with the consent of the CSSF), purchased and cancelled as provided in this Condition 5 or its maturity is extended pursuant to any Issuer's option in accordance with Condition 5(e) or (g), each Senior Subordinated Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Senior Subordinated Note falling within paragraph (i) above, its final Instalment Amount.

(b) Redemption of Junior Subordinated Notes:

Subject to Condition 3(d), the Issuer will redeem all of the Junior Subordinated Notes that have a Maturity Date specified hereon ("Dated Junior Subordinated Notes") at their Final Redemption Amount (together with all Arrears of Interest and all accrued Additional Interest, if any and interest if any accrued to, but excluding, the date fixed for redemption) on such Maturity Date provided that the CSSF has consented to such redemption on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders in accordance with Condition 13. The Issuer undertakes to seek the consent of the CSSF to redeem all of the Junior Subordinated Notes (or as many of the Junior Subordinated Notes as the CSSF will consent to) not less than 40 days prior to the Maturity Date. If the CSSF consents to the redemption of some (but not all) of the Junior Subordinated Notes on the Maturity Date, the Issuer will redeem the Junior Subordinated Notes to the extent permitted by the CSSF at their Final Redemption Amount (together with all Arrears of Interest and all accrued Additional Interest, if any). The Junior Subordinated Notes to be redeemed will be drawn by lot in accordance with Condition 5(e).

If the CSSF does not consent to the redemption of all of the Junior Subordinated Notes on the Maturity Date (or any following Interest Payment Date) the Junior Subordinated Notes not so redeemed shall be redeemed, subject as set out below, at their Final Redemption Amount (together with all Arrears of Interest and all accrued Additional Interest, if any and interest if any accrued to, but excluding, the date fixed for redemption) on the next following Interest Payment Date (each such Interest Payment Date being a "New Maturity Date"). If the CSSF does not consent to the redemption of any of the Junior Subordinated Notes on the Maturity Date or any following Interest Payment Date, the Issuer shall give notice to the Noteholders to be published in accordance with Condition 13 and for so long as the Junior Subordinated Notes are listed on the Official List of the Luxembourg Stock Exchange, the Luxembourg Stock Exchange, at least 30 days before the Maturity Date or the New Maturity Date, as the case may be, that redemption will not take place on that date in respect of the Junior Subordinated Notes not permitted to be redeemed.

Until such time as the Issuer has obtained the consent of the CSSF to redeem all Junior Subordinated Notes, the Issuer undertakes not less than 40 days prior to each New Maturity Date to

seek the consent of the CSSF to redeem all Junior Subordinated Notes in respect of which consent for redemption from the CSSF has not been obtained. The Issuer will, subject to Condition 3(d), redeem all the Junior Subordinated Notes permitted to be redeemed by the CSSF on the next New Maturity Date after such consent has been received at their Final Redemption Amount together with all Arrears of Interest and all accrued Additional Interest, if any). If some only of the Junior Subordinated Notes are permitted to be redeemed on a New Maturity Date, the Junior Subordinated Notes to be redeemed will be drawn by lot in accordance with Condition 5(e).

Junior Subordinated Notes that do not have a Maturity Date specified hereon are undated and accordingly have no final maturity date and are only redeemable or repayable in accordance with the following provisions of this Condition 5 or Condition 9 and, in the case of Condition 5 only, with the prior approval of the CSSF:

(c) *Early Redemption of Zero Coupon Senior Subordinated Notes:*

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Senior Subordinated Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Senior Subordinated Note pursuant to Condition 5(d) with the prior consent of the CSSF or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Face Amount (calculated as provided below) of such Senior Subordinated Note unless otherwise specified hereon.
- (ii) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Senior Subordinated Note shall be the scheduled Final Redemption Amount of such Senior Subordinated Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Senior Subordinated Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (iii) If the Early Redemption Amount payable in respect of any such Senior Subordinated Note upon its redemption pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Senior Subordinated Note shall be the Amortised Face Amount of such Senior Subordinated Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Senior Subordinated Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Conditions 4(a) and (c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(d) *Redemption for Taxation Reasons:*

The Notes may be redeemed at the option of the Issuer in whole, but not in part, (but subject to consent thereto having been obtained from the CSSF), on any Interest Payment Date (if this Note is either a Floating Rate Note or an Index Linked Note) or at any time (if this Note is neither a Floating Rate Note nor an Index Linked Note), on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable), at their Early Redemption Amount (as described in Condition 5(c) above) (together with all Arrears of Interest, Accrued Additional Interest and interest accrued to the date fixed for redemption), if (i) the Issuer has or would become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in the laws or regulations of Luxembourg (or in the official application of such laws or regulations) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application of such laws or regulations which change or amendment becomes effective on or after the Issue Date, and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent a certificate signed

by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

(e) *Redemption at the Option of the Issuer:*

If Call Option is specified hereon (the details of which will be specified in the relevant Final Terms), the Issuer may with the consent of the CSSF, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders in accordance with Condition 13 (or such other notice period as may be specified hereon) redeem all or, if so provided, some, of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with all Arrears of Interest, accrued Additional Interest and interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes or, in the case of Registered Notes, shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

(f) *Partly-Paid Notes:*

Partly-Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified hereon.

(g) *Purchases:*

In addition to Notes, Receipts or Coupons purchased in the ordinary course of dealing in securities on behalf of third parties, the Issuer or any of its Subsidiaries may with the consent of the CSSF at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price in accordance with applicable law, if any. The Notes so purchased, while held by or on behalf of the Issuer shall not entitle the holder to vote at any meetings of the Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Noteholders or for the purposes of Condition 10(a). The Issuer undertakes to procure that any Subsidiary which holds any Notes as principal, will not exercise its right to vote in any meeting of the Noteholders in respect of such Notes provided that the Issuer and such Subsidiary may vote in favour of a resolution requiring the unanimous consent of a Masse Meeting (as defined in Condition 10) when all other Noteholders have voted or will vote in favour of that resolution. "Subsidiary" means any company 50 per cent. or more of the equity share capital of which is owned directly or indirectly by the Issuer. Such Notes may be reissued or resold by the Issuer or its Subsidiaries.

(h) *Cancellation:*

All Notes that are redeemed shall be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith) and accordingly may not be reissued or resold.

6. Payments and Talons

(a) *Bearer Notes:*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 6(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 6(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at

the option of the holder, by transfer to an account denominated in such currency with a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of EUR, in a city in which banks have access to the TARGET System.

- (ii) Interest (which for the purpose of this Condition 6(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the persons shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency in which such payments are due by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States:*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws:*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 7. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents:*

The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and any Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, any Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes in Luxembourg, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, (vi) such other agents as may be required by the rules of any other stock exchange on which the Notes may be listed and (vii) to the extent not satisfied by (v) or (vi) above, a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to European Union Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November, 2000. Notice of any such termination or appointment and of any change in the specified office through which any Paying Agent acts will be given in accordance with Condition 13.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

- (f) *Unmatured Coupons and Receipts and unexchanged Talons:*
- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes (other than Dual Currency Notes or Index Linked Notes) should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount or Early Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8).
 - (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, Dual Currency Interest Note or Index Linked Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Bearer Note, any unexpired Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
 - (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (v) Where any Bearer Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons and where any Bearer Note is presented for redemption without any unexpired Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Registered Note Certificate representing it, as the case may be.

Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Registered Note Certificate representing it, as the case may be.

(g) *Talons:*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 8).

(h) *Non-Business Days:*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "business day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" hereon and:

7. Taxation

All payments of principal and interest in respect of the Notes, the Receipts and the Coupons shall be made free and clear of, and without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Luxembourg or any political sub-division or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as shall result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

(a) *Other Connection:*

As used in these Conditions, "Relevant Date" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Registered Note Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) "principal" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) "interest" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) "principal" and/or "interest" shall be deemed to include any additional amounts that may be payable under this Condition.

8. Prescription

9. Enforcement

(a) *Winding Up:*

The holder of any Note may give written notice to the Fiscal Agent at its specified office that such Note is due and payable, whereupon the Final Redemption Amount of such Note together with accrued interest (and Arrears of Interest and Additional Interest in the case of Junior Subordinated Notes) to the date of payment shall become immediately due and payable if an order is made or an effective resolution is passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer.

(b) *Non-Payment:*

If the Issuer does not make payment for a period of 7 days or more after the due date for the payment of principal or for a period of 14 days or more after a Compulsory Interest Payment Date in the case of Junior Subordinated Notes, or after an Interest Payment Date in the case of Senior Subordinated Notes, for the payment of interest due in respect of any of the Notes on such Compulsory Interest Payment Date or Interest Payment Date, as the case may be, any Noteholder may ask the relevant authorities to institute proceedings in Luxembourg (but not elsewhere) in accordance with Part IV of the law of 5 April, 1993 concerning the financial sector (*loi du 5 avril 1993 relative au secteur financier*) for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer.

Although the relevant authorities may take into account a request from a Noteholder to institute proceedings in Luxembourg for the dissolution or liquidation of the Issuer, they are not in any way bound to do so following the receipt of such a request or on any other basis. In determining whether to institute any such proceeding against the Issuer, the relevant authorities act solely on the basis of their own discretion and in accordance with Luxembourg law. Subject to such request from a Noteholder as described in this Condition 9(b), a Noteholder shall not be able to take proceedings for the dissolution or liquidation of the Issuer.

(c) *Breach of Obligations:*

To the extent permitted by applicable law and by these Conditions, a Noteholder may at its discretion institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition, undertaking or provision binding on the Issuer under the Notes or the Coupons but the institution of such proceedings shall not have the effect that the Issuer shall be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

(d) *Other Remedies:*

No remedy against the Issuer other than the institution of the proceedings referred to in Conditions 9(b) or (c) and the proving or claiming in any dissolution or liquidation of the Issuer, shall be available to the Noteholders or the Couponholders whether for the recovery of amounts owing in respect of the Notes or the Coupons or in respect of any breach by the Issuer of any other obligation, condition or provision binding on it under the Notes or the Coupons.

10. Meeting of Noteholders, Modifications and Substitution

(a) *Meetings of Noteholders and Representation:*

Noteholders will belong to a *masse* (the "*Masse*") created, among other things, for the representation of their common interests pursuant to the provisions of the law of 10 August, 1915 on commercial companies, as amended (*loi de 10 août 1915 concernant les sociétés commerciales, telle qu'elle à été modifiée*) (the "Luxembourg Company Law"). The discussion below is based on the Luxembourg Company Law in effect on the Issue Date. Any subsequent amendments to the relevant provisions of the Luxembourg Company Law may amend or modify the discussion below. A general meeting of the Noteholders (the "*Masse Meeting*") may appoint and determine the powers of one or more representatives (the "*Representatives*"). Where Representatives have been appointed, Noteholders may no longer individually exercise their rights against the Issuer. A *Masse Meeting* may be called at any time by the Representatives (if any) or the Board of Directors of the Issuer. The Representatives, provided an advance on expenses has been paid to them, or the Board of Directors must convene the *Masse Meeting* if called upon to do so by holders of Notes representing 5 per cent. or more of the Notes outstanding. All *Masse Meetings* shall be held at the place specified in the notice calling the meeting and such notice must be published as provided in Condition 13. All Noteholders have the right to attend and vote at the *Masse Meeting* either personally or by proxy. The voting rights attached to the Notes are equal to the proportion of the amount of the outstanding Notes represented by the amount of the Note or Notes held by the relevant holder. A *Masse Meeting* may be called in the event of a merger involving the Issuer, may approve certain changes in the rights of the Noteholders and may, generally, determine any measures designed to ensure the defence of interests or the exercise of the rights of the Noteholders in accordance with the provisions of the Luxembourg Company Law. A *Masse Meeting* may deliberate validly without a quorum and by vote of a simple

majority of Noteholders attending or represented at such *Masse Meeting* on the appointment and revocation of the Representatives, the revocation of special representatives appointed by the Issuer and the approval of any measures of a conservatory nature in the general interests of the Noteholders. On all other matters (except in respect of certain matters, including a change in the nationality of the Issuer, where unanimous consent is required) the *Masse Meeting* may deliberate validly on first convocation only if Noteholders present or represented hold at least 50 per cent. of the Notes then outstanding. On second convocation no quorum is required. Decisions at such meetings shall be taken by a majority of $66\frac{2}{3}$ per cent. of the votes cast by Noteholders attending such meetings or represented thereat.

These Conditions may be amended, modified, or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) *Modification of Agency Agreement:*

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

(c) *Substitution:*

Subject to the provisions of this Condition the Noteholders and the Couponholders by subscribing to or purchasing any Notes or Coupons, expressly consent to the Issuer, or any previous substituted company, at any time provided the prior approval of the CSSF is obtained, substituting for itself as principal debtor under the Notes, the Receipts, the Coupons and the Talons any Subsidiary of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the "Substitute") provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no order has been made or resolution passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer. Such substitution effected in accordance with this Condition will release the Issuer or any previous substituted company and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by a written undertaking (the "Undertaking") to be substantially in the form scheduled to the Agency Agreement as Schedule 8 and may take place only if (i) the Substitute shall, by means of the Undertaking, agree to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation with respect to any Note, Receipt, Coupon, Talon or the Deed of Covenant and which would not have been so imposed had the substitution not been made, as well as against any tax duty, assessment or governmental charge, and any cost or expense, relating to the substitution; (ii) if the Substitute is a Subsidiary of the Issuer, the obligations of the Substitute under the Undertaking, the Notes and the Coupons shall be unconditionally and irrevocably guaranteed on a subordinated basis by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a "Guarantor") (which shall be the same basis in respect of which Notes originally issued by the Issuer were subordinated) by means of a guarantee substantially in the form contained in the Undertaking (the "Guarantee"); (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Undertaking, the Notes, Coupons, Receipts, Talons and Deed of Covenant, represent valid, legally binding and enforceable obligations of the Substitute and in the case of the Guarantee of the Guarantor have been taken, fulfilled and done and are in full force and effect; (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it; (v) legal opinions addressed to the Noteholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above as to the fulfilment of the preceding conditions of this Condition 10(c) and the other matters specified in the Undertaking; (vi) the substitution does not affect adversely the rating of the Notes by Moody's Investors Service Ltd. and Standard & Poor's Rating Group or if any such rating agency does not exist at the relevant time any two existing internationally recognised rating agencies and (vii) the Issuer shall have given at least 30 days' prior notice of such substitution to the Noteholders, to be published in accordance with Condition 13 stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are

referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents. References in Condition 9 to obligations under the Notes shall be deemed to include obligations under the Undertaking, and, where the Undertaking contains a Guarantee, the events listed in Condition 9 shall be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect and the Guarantee shall contain rights of enforcement and clauses relating to the Guarantor in the form of Conditions 5(f) and (g).

11. Replacement of Notes, Registered Note Certificates, Receipts, Coupons and Talons

If a Note, Registered Note Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of a Fiscal Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Registered Note Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Registered Note Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the issuer on demand the amount payable by the Issuer in respect of such Notes, Registered Note Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Registered Note Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Further Issues

Subject to the prior consent of the CSSF, the Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in these Conditions to "Issue Date" shall be to the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to "Notes" shall be construed accordingly.

13. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing and for so long as the Registered Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall in addition be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) except that for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

14. Currency Indemnity

Any amount received or recovered in a currency other than the currency in which payment under the relevant Note, Coupon or Receipt is due (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise) by any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the currency of payment under the relevant Note, Coupon or Receipt that the recipient is able to purchase with the

amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the amount received or recovered is less than the amount expressed to be due to the recipient under any Note, Coupon or Receipt, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it shall be sufficient for the Noteholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, Coupon or Receipt or any other judgment or order.

15. Governing Law and Jurisdiction

(a) *Governing Law:*

The Notes, the Receipts, the Coupons and the Talons, and any non-contractual obligations arising out of or in connection with them, are governed by, and shall be construed in accordance with, the laws of Luxembourg.

(b) *Jurisdiction:*

The courts of Luxembourg are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Luxembourg and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons.

GENERAL CONDITIONS OF THE BOOK-ENTRY WARRANTS

The following is the text of the General Conditions of the Book-entry Warrants that, subject to completion and amendment and as supplemented or varied in accordance with the Terms set out in the relevant Final Terms for the Warrants, shall be applicable to the Book-entry Warrants. All capitalised terms that are not defined in these General Conditions will have the meanings given to them in the relevant Final Terms for the Warrants. Those definitions will be included in the Terms, which shall be endorsed on the Global Warrant. References in these Conditions to “Warrants” are to the Book-entry Warrants of one Series only, not to all Book-entry Warrants that may be issued under the Programme.

The Warrants are subject to these General Conditions, as modified and/or supplemented by the terms of the Warrants (the “Terms”) set out in the Global Warrant or Global Warrants (each a “Global Warrant”) by which they are represented. Copies of the form of Global Warrant and the Agency Agreement will be available for inspection at the specified office of the Issuer. The Warrant holders (as defined below) are bound by and are deemed to have notice of all the provisions of the Agency Agreement and the relevant Global Warrant. References in these General Conditions to “Calculation Agent” are to the Calculation Agent (if any) appointed in relation to the Warrants and specified in the Terms.

1. Form and Transfer

(a) *Form*

The Warrants will at all times be represented by a single Global Warrant (save in the case of an issue of further Warrants pursuant to Condition 10, which further Warrants shall be represented by a further Global Warrant), which will be deposited with a common depositary for Euroclear Bank S.A./N.V., (“Euroclear”) and Clearstream banking, société anonyme (“Clearstream, Luxembourg”) Warrants in definitive form will not be issued.

The persons for the time being appearing in the books of Euroclear or Clearstream, Luxembourg as holding Warrants shall be treated as holders of the Warrants (the “Warrant holders”) and no person shall be liable for so treating such holders.

(c) *Transactions*

Transfers and exercise of Warrants may only be effected through Euroclear or Clearstream, Luxembourg. Title will pass upon registration of the transfer in the books of Euroclear or Clearstream, Luxembourg, as the case may be.

3. Exercise Rights

(a) *Exercise Period—American Style Warrants*

Warrants designated in the relevant Terms as “American Style” are exercisable on any Business Day during the period from, but excluding, the Issue Date to and including the Final Exercise Date (such period, the “Exercise Period”) subject to prior termination of the Warrants as provided in Condition 5.

(b) *Exercise Period—European Style Warrants*

Warrants designated in the relevant Terms as “European Style” are exercisable on the Exercise Date or Exercise Dates (or, if such a day is not a day on which Euroclear and Clearstream, Luxembourg are open for business (an “Exercisable Business Day”), the next following such day)

(each, an “Exercise Date”, the latest such Exercise Date being the “Final Exercise Date”) subject to prior termination of the Warrants as provided in Condition 5.

(c) *Entitlement*

The rights attaching to each Warrant on exercise (including any provisions relating to adjustments, market disruption and certain other matters) will be as set out in the relevant Terms.

(d) *Failure to Exercise*

Any Warrant with respect to which no Exercise Notice has been delivered to Euroclear or Clearstream, Luxembourg, as the case may be, and copied to the Issuer, in the manner set out in Condition 4, at or prior to 10.00 a.m. (Brussels or Luxembourg time, as the case may be) on the relevant Final Exercise Date shall become void.

4. Exercise Procedure

(a) *Exercise Notice*

Warrants may be exercised by delivery of a duly completed exercise notice in writing, or by tested telex confirmed in writing, in the form (with such amendments as the Issuer may specify) set out in the Agency Agreement (copies of which may be obtained from Euroclear, Clearstream, Luxembourg or the Issuer) (an “Exercise Notice”) to Euroclear or Clearstream, Luxembourg, as the case may be, with, as a further precondition to exercise, a copy to the Issuer at its specified office, in each case (1) (in the case of American Style Warrants) not later than 10.00 a.m. (Brussels or Luxembourg time, respectively) on any Business Day (the “Exercise Date”) during the Exercise Period or (2) (in the case of European Style Warrants) at any time after 10.00 a.m. (Brussels or Luxembourg time, respectively) on the Exercisable Business Day immediately preceding the relevant Exercise Date but not later than 10.00 a.m. (Brussels or Luxembourg time, respectively) on the relevant Exercise Date:

- (i) specifying the number of Warrants being exercised;
- (ii) specifying the number of the Warrantholder’s account at Euroclear or Clearstream, Luxembourg, as the case may be, to be debited with the Warrants being exercised;
- (iii) irrevocably instructing Euroclear or Clearstream, Luxembourg, as the case may be, to debit on or before the Settlement Date the account of the relevant holder with the Warrants being exercised and to credit the account of the Issuer;
- (iv) including an irrevocable undertaking to pay any applicable stamp duty, stamp duty reserve tax and/or other similar taxes or duties due by reason of the exercise of Warrants by such Warrantholder and an authorisation to the Issuer to deduct any such taxes or duties from the Settlement Amount or any other amount payable by the Issuer to the Warrantholder in connection with the exercise of such Warrants;
- (v) specifying the name and the number of the Warrantholder’s account with Euroclear or Clearstream, Luxembourg, as the case may be, to be credited with the Settlement Amount or any other amount payable by the Issuer to the Warrantholder in connection with the exercise of such Warrants;
- (vi) certifying that such Warrants are not being exercised by or on behalf of any U.S. persons, that payment or delivery with respect to duly exercised Warrants will not be made to, or for the account of, a U.S. person and that none of such Warrants was purchased by the holder in the United States; and
- (vii) authorising the production of such certification in applicable administrative or legal proceedings.

(b) *Verification of the Warrantholder*

Upon receipt of an Exercise Notice, the Issuer shall request Euroclear or Clearstream, Luxembourg, as the case may be, to verify that the person exercising the Warrants specified therein was, as at 10.00 a.m. (Brussels or Luxembourg time, as the case may be) on the Exercise Date, the holder thereof according to the books of Euroclear or Clearstream, Luxembourg, as the case may be. If Euroclear or Clearstream, Luxembourg, as the case may be, is unable so to verify, such Exercise Notice shall be deemed not to have been given. Euroclear or Clearstream, Luxembourg, as the case may be, will on or before the Settlement Date debit the Warrants being exercised from the account of the Warrantholder specified in the Exercise Notice (but without prejudice to the accrued rights of the relevant Warrantholder).

(c) *Settlement*

The issuer shall, for each Warrant being exercised, on the Settlement Date transfer or procure the transfer of the Settlement Amount, or any other cash payment due in respect of each Warrant in accordance with the relevant Terms, less any taxes or duties which the Issuer is authorised to deduct under the Exercise Notice, to the Warrantheader's account as specified in the relevant Exercise Notice, for value on the Settlement Date.

(d) *Determination*

Any determination as to whether an Exercise Notice is duly completed and in proper form shall be made by the Issuer and shall be conclusive and binding on the Issuer, the Calculation Agent (if any) and the Warrantheader. Any Exercise Notice so determined to be incomplete or not in proper form, or which is not copied to the Issuer immediately after being sent to Euroclear or Clearstream, Luxembourg, as the case may be, shall be void. If such Exercise Notice is subsequently corrected to the satisfaction of the Issuer, it shall be deemed to be a new Exercise Notice submitted at the time the correction is delivered.

(e) *Effect of Exercise Notice*

Delivery of an Exercise Notice shall constitute an irrevocable election and undertaking by the relevant Warrantheader to exercise the Warrants specified therein in the manner specified therein. After delivery of such Exercise Notice, such exercising Warrantheader may not otherwise transfer such Warrants. Notwithstanding this, if any Warrantheader does so transfer or attempts so to transfer such Warrants, the Warrantheader will be liable to the Issuer for any loss, costs and expenses suffered or incurred by the Issuer or any of its affiliates through whom it has hedged its position, including those suffered or incurred as a consequence of the Issuer or any of its affiliates through whom it has hedged its position having terminated or commenced any related hedging operations in reliance on the relevant Exercise Notice and subsequently (i) entering into replacement hedging operations in respect of such Warrants or (ii) paying any amount on the subsequent exercise of such Warrants without having entered into any replacement hedging operations.

5. Illegality

The Issuer shall have the right to terminate the Warrants, by giving notice to the Warrantheaders and any Calculation Agent appointed in relation to the Warrants, if it determines in good faith that its performance thereunder has become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgment, order. or directive of any governmental, administrative or judicial authority or power ("Applicable Law"). In such circumstances, the Issuer will, however, if and to the extent permitted by Applicable Law, cause to be paid to each Warrantheader in respect of each such Warrant held by it an amount determined by the Issuer or, if a Calculation Agent has been appointed for the Warrants, the Calculation Agent as representing the fair market value of such Warrant immediately prior to such termination (ignoring any such illegality). Payment will be made to Euroclear or Clearstream, Luxembourg, as the case may be, in such manner as shall be notified to the Warrantheaders in accordance with the procedure set out in Condition 11.

6. Purchase by the Issuer

The Issuer may at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased will be surrendered for cancellation and may not be reissued or resold.

7. Minimum Number of Warrants Exercisable

If a Minimum Exercise Number is specified in the relevant Terms, the Warrants may not be exercised in a number less than the Minimum Exercise Number or such multiples in which such Warrants may be exercised in accordance with the relevant Terms.

8. Maximum Exercise of Warrants

If Warrants are designated in the relevant Terms as "American Style" and a Maximum Exercise Number is specified in the relevant Terms, then if following any Exercise Date other than the Final Exercise Date the Issuer determines that more than the Maximum Exercise Number of Warrants (the "Quota") were exercised on such Exercise Date by a single Warrantheader or a group of Warrantheaders, then the Issuer may deem the Valuation Date for the first Quota of such Warrants exercised by such Warrantheader or group of Warrantheaders to be the originally applicable Valuation

Date for Warrants exercised on such Exercise Date, and the Valuation Date for each additional Quota of Warrants (or part thereof, in the case of the last amount) exercised by such Warrantholder or group of Warranholders to be the respective Valuation Dates applicable to each succeeding date following such Exercise Date on which such Warrants could have been exercised, until all such Warrants exercised on such Exercise Date by such Warrantholder or group of Warranholders have been given a Valuation Date. In any case where more than the Quota of Warrants are so exercised on the same day by a Warrantholder or group of Warranholders acting in concert, the order of settlement in respect of such Warrants shall be at the discretion of the Issuer. Notwithstanding the foregoing, the Issuer may, at any time, in its discretion, accept more than the Quota of Warrants for exercise on any Exercise Date.

9. Issuer's Specified Office and the Calculation Agent

(a) Changes in Specified Office or Calculation Agent

The specified office of the Issuer is set out at the foot of these General Conditions. The Issuer reserves the right at any time to change its specified office or to vary or terminate the appointment of any Calculation Agent appointed for the Warrants and to appoint other or additional Calculation Agents, provided that there will always be a Calculation Agent where so required by the Terms. Notice of any variation or termination of appointment and of any changes in the specified office of the Issuer or Calculation Agent will be given to the Warranholders in accordance with the procedures set out in Condition 11. The Calculation Agents are acting solely as agents of the Issuer and do not assume any obligations or duty to, or any relationship of agency or trust for or with, the Warranholders.

(b) Amendments to Agency Agreement

The Agency Agreement may be amended by the parties thereto without the consent of the Warranholders if, in the opinion of such parties, the amendment will not materially and adversely affect the interests of the Warranholders.

(c) Calculation Agent

All calculation functions required of the Calculation Agent under these Conditions and any Global Warrant may be delegated to any such person as the Calculation Agent, in its absolute discretion, may decide.

(d) Calculations

The Calculation Agent shall have no responsibility for errors or omissions in any calculations and determinations made hereunder and all such calculations and determinations shall (save in the case of manifest error) be final and binding on the Issuer and the Warranholders.

10. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Warranholders to create and issue further Warrants so as to form a single series with the Warrants.

11. Notices

All notices to Warranholders will be valid if delivered to Euroclear and Clearstream, Luxembourg for communication by them to entitled account holders and, so long as the Warrants are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, if published in a daily newspaper with general circulation in Luxembourg (which is expected to be the Luxemburger Wort) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). Any such notice shall be deemed to have been given on the date of such delivery and publication or, if so delivered and published more than once or on different dates, on the date of the first such delivery and publication.

12. Taxation

The Issuer will not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer or exercise of any Warrants.

13. Governing Law and Jurisdiction

(a) Governing Law:

The Global Warrants and any non-contractual obligations arising out of or in connection with them shall be governed by, and construed in accordance with, the laws of England.

(b) Jurisdiction:

The Courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Warrants and accordingly any legal action or proceedings ("Proceedings") arising out of or in connection with any Warrants may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Warranholders and shall not limit the right of any of them to take Proceedings in any court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

The Issuer has appointed Dexia Management Services Limited, at Shackleton House, Hay's Galleria, 4 Battle Bridge Lane, London SE1 2RB as its agent in England to receive service of process in any Proceedings in England based on any of the Warrants. If for any reason such process agent ceases to act as such or no longer has an address in England, the Issuer agrees to appoint a substitute process agent and to notify Warranholders of such appointment.

14. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Warrants under the Contracts (Rights of Third Parties) Act 1999.

GENERAL CONDITIONS OF THE BEARER WARRANTS

The following is the text of the General Conditions of the Bearer Warrants that, subject to completion and amendment and as supplemented or varied in accordance with the Terms set out in the relevant Final Terms for the Warrants, shall be applicable to the Bearer Warrants. Either (i) the full text of these General Conditions together with the relevant provisions of the Final Terms for the Warrants or (ii) these General Conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Definitive Warrants. All capitalised terms that are not defined in these General Conditions will have the meanings given to them in the relevant Final Terms for the Warrants. Those definitions will be included in the Terms, which shall be endorsed on the Bearer Warrants. References in these Conditions to “Warrants” are to the Bearer Warrants of one Series only, not to all Bearer Warrants that may be issued under the Programme.

The Warrants are subject to these General Conditions, as modified and/or supplemented by the terms of the Warrants (the “Terms”) endorsed hereon. The Warrants are issued under the Programme of the Issuer for the issue of Euro Medium Term Notes and Warrants. Expressions used herein and not defined shall have the meaning given to them in the Terms. References in these General Conditions to “Calculation Agent” are to the Calculation Agent (if any) appointed in relation to the Warrants and specified in the Terms.

1. Form and Title

(a) Form

The Warrants are issued in bearer form.

(b) Title

Title to the Warrants shall pass by delivery. Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Warrant shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating such holders.

In these General Conditions, “Warrantholder” and “holder” mean the bearer of any Warrant.

2. Status

The Warrants represent unsubordinated and unsecured contractual obligations of the Issuer. The Warrants rank equally among themselves and, save for such exceptions as may be provided by applicable legislation, *pari passu* with all other unsecured and unsubordinated obligations of the Issuer.

3. Exercise Rights

(a) Exercise Period—American Style Warrants

Warrants designated in the relevant Terms as “American Style” are exercisable on any Business Day during the period from, but excluding, the Issue Date to and including the Final Exercise Date (such period, the “Exercise Period”) subject to prior termination of the Warrants as provided in Condition 5.

(b) Exercise Period—European Style Warrants

Warrants designated in the relevant Terms as “European Style” are exercisable on the Exercise Date or Exercise Dates (or, if such a day is not a day on which Euroclear and Clearstream, Luxembourg are open for business (an “Exercisable Business Day”), the next following such day) (each an “Exercise Date”, the latest such Exercise Date being the “Final Exercise Date”) subject to prior termination of the Warrants as provided in Condition 5.

(c) Entitlement

The rights attaching to each Warrant on exercise (including any provisions relating to adjustments, market disruption and certain other matters) will be as set out in the relevant Terms.

(d) *Failure to Exercise*

Any Warrant with respect to which no Exercise Notice has been delivered to the Issuer in the manner set out in Condition 4, at or prior to 10.00 a.m. (Luxembourg time) on the relevant Final Exercise Date shall become void.

4. Exercise Procedure

(a) *Exercise Notice*

Each Warrant may be exercised by presentation and surrender of such Warrant together with a duly completed exercise notice in writing (copies of which may be obtained from the specified office of the Issuer) (an "Exercise Notice") to the Issuer at its specified office (1) (in the case of American Style Warrants) not later than 10.00 a.m. (Luxembourg time) on any Business Day (the "Exercise Date") during the Exercise Period or (2) (in the case of European Style Warrants) at any time after 10.00 a.m. (Luxembourg time) on the Exercisable Business Day immediately preceding the relevant Exercise Date but not later than 10.00 a.m. (Luxembourg time) on the relevant Exercise Date: (i) specifying the number of Warrants being exercised; (ii) including an irrevocable undertaking to pay any applicable stamp duty, stamp duty reserve tax and/or other similar taxes or duties due by reason of the exercise of Warrants by such Warrantheader and an authorisation to the Issuer to deduct any such taxes or duties from the Settlement Amount or any other amount payable by the Issuer to the Warrantheader in connection with the exercise of such Warrants; (iii) certifying that such Warrants are not being exercised by or on behalf of any U.S. persons, that payment or delivery with respect to duly exercised Warrants will not be made to, or for the account of, a U.S. person and that none of such Warrants was purchased by the holder in the United States; and (iv) authorising the production of such certification in applicable administrative or legal proceedings.

(b) *Settlement*

The Issuer shall, for each Warrant being exercised, pay the Settlement Amount, or any other cash payment due in respect of each Warrant in accordance with the relevant Terms, less any taxes or duties which the Issuer is authorised to deduct under the Exercise Notice, in accordance with Condition 9 on the Settlement Date.

(c) *Determination*

Any determination as to whether an Exercise Notice is duly completed and in proper form and accompanied by the correct Warrants shall be made by the Issuer and shall be conclusive and binding on the Issuer, the Calculation Agent (if any) and the Warrantheader. Any Exercise Notice so determined to be incomplete or not in proper form shall be void. If such Exercise Notice is subsequently corrected to the satisfaction of the Issuer, it shall be deemed to be a new Exercise Notice submitted at the time the correction is delivered.

(d) *Effect of Exercise Notice*

Delivery of an Exercise Notice together with the surrender of one or more Warrants shall constitute an irrevocable election and undertaking by the relevant Warrantheader to exercise the Warrants so delivered and surrendered and specified in the Exercise Notice in the manner specified in the Exercise Notice.

5. Illegality

The Issuer shall have the right to terminate the Warrants, by giving notice to the Warrantheaders and any Calculation Agent appointed in relation to the Warrants, if it determines in good faith that its performance thereunder has become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative or judicial authority or power ("Applicable Law"). In such circumstances, the Issuer will, however, if and to the extent permitted by Applicable Law, cause to be paid to each Warrantheader in respect of each such Warrant held by it an amount determined by the Issuer or, if a Calculation Agent has been appointed for the Warrants, the Calculation Agent as representing the fair market value of such Warrant immediately prior to such termination (ignoring any such illegality). The Issuer shall notify the Warrantheaders of the termination in accordance with the procedure set out in Condition 13. Payment will be made to the Warrantheaders in accordance with the procedures described in Condition 9 or in such other manner as shall be notified to the Warrantheaders.

6. Purchase by the Issuer

The Issuer may at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased will be surrendered for cancellation and may not be reissued or resold.

7. Minimum Number of Warrants Exercisable

If a Minimum Exercise Number is specified in the relevant Terms, the Warrants may not be exercised in a number less than the Minimum Exercise Number or such multiples in which such Warrants may be exercised in accordance with the relevant Terms.

8. Maximum Exercise of Warrants

If Warrants are designated in the relevant Terms as “American Style” and a Maximum Exercise Number is specified in the relevant Terms, then if following any Exercise Date other than the Final Exercise Date the Issuer determines that more than the Maximum Exercise Number of Warrants (the “Quota”) were exercised on such Exercise Date by a single Warrantholder or a group of Warrantholders, then the Issuer may deem the Valuation Date for the first Quota of such Warrants exercised by such Warrantholder or group of Warrantholders to be the originally applicable Valuation Date for Warrants exercised on such Exercise Date, and the Valuation Date for each additional Quota of Warrants (or part thereof, in the case of the last amount) exercised by such Warrantholder or group of Warrantholders to be the respective Valuation Dates applicable to each succeeding date following such Exercise Date on which such Warrants could have been exercised, until all such Warrants exercised on such Exercise Date by such Warrantholder or group of Warrantholders have been given a Valuation Date. In any case where more than the Quota of Warrants are so exercised on the same day by a Warrantholder or group of Warrantholders acting in concert, the order of settlement in respect of such Warrants shall be at the discretion of the Issuer. Notwithstanding the foregoing, the Issuer may, at any time, in its discretion, accept more than the Quota of Warrants for exercise on any Exercise Date.

9. Payments

Payments of the Settlement Amount and any other amounts due in respect of the Warrants shall be made against presentation and surrender of the relevant Warrants at the specified office of the Issuer on the Settlement Date by a cheque payable in the currency in which such payment is due drawn on, or at the option of the holder, by transfer to an account denominated in that currency with, a bank in the principal financial centre for that currency; provided that, in the case of payment in Japanese yen to a non- resident of Japan, the transfer shall be to a non-resident Japanese yen account with an authorised foreign exchange bank.

10. Replacement of Warrants

If a Warrant is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Issuer or specified office of such agent of the Issuer as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Warrantholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Warrant is subsequently presented for exercise or payment, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Warrants) and otherwise as the Issuer may require. Mutilated or defaced Warrants must be surrendered before replacements will be issued.

11. Issuer’s Specified Office and the Calculation Agent

(a) *Changes in Specified Office or Calculation Agent*

The specified office of the Issuer is set out at the foot of these General Conditions. The Issuer reserves the right at any time to change its specified office or to vary or terminate the appointment of any Calculation Agent appointed for the Warrants and to appoint other or additional Calculation Agents, provided that there will always be a Calculation Agent (which may be the Issuer) where so required by the Terms. Notice of any variation or termination of appointment and of any changes in the specified office of the Issuer or Calculation Agent will be given to the Warrantholders in accordance with the procedures set out in Condition 13. The Calculation Agents are acting solely as agents of the Issuer and do not assume any obligations or duty to, or any relationship of agency or trust for or with, the Warrantholders.

(b) *Calculation Agent*

All calculation functions required of the Calculation Agent under these Conditions and any Warrant may be delegated to any such person as the Calculation Agent, in its absolute discretion, may decide.

(c) *Calculations*

The Calculation Agent shall have no responsibility for errors or omissions in any calculations and determinations made hereunder and all such calculations and determinations shall (save in the case of manifest error) be final and binding on the Issuer and the Warrantholders.

12. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Warrantholders to create and issue further Warrants so as to form a single series with the Warrants.

13. Notices

All notices to Warrantholders will be valid if published in a daily newspaper of general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) except that for so long as the Warrants are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first such publication.

14. Taxation

The Issuer will not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer or exercise of any Warrants.

15. Governing Law and Jurisdiction

(a) *Governing Law:*

The Warrants, and any non-contractual obligations arising out of or in connection with them, shall be governed by, and construed in accordance with, the laws of Luxembourg.

(b) *Jurisdiction:*

The Courts of Luxembourg are to have jurisdiction to settle any disputes that may arise out of or in connection with any Warrants and accordingly any legal action or proceedings ("Proceedings") arising out of or in connection with any Warrants may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Luxembourg and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Warrantholders and shall not limit the right of any of them to take Proceedings in any court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

If the Global Notes or the Registered Note Global Certificates are stated in the applicable Final Terms to be issued in respect of Senior Notes and issued in NGN form or to be held under the NSS (as the case may be), the Global Notes or the Registered Note Global Certificates will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper. Depositing the Global Notes or the Registered Note Global Certificates with the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Global Notes which are issued in CGN form and Registered Note Global Certificates which are not held under the NSS may be delivered on or prior to the original issue date of the Tranche to a Common Depository.

If the Global Note is a CGN, upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg (the “Common Depository”) or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Registered Note Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the Global Note is a NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Notes that are initially deposited with the Common Depository may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, or any other permitted clearing system (an “Alternative Clearing System”) as the holder of a Note represented by a Registered Note Global Note must look solely to Euroclear, Clearstream, Luxembourg or such Alternative Clearing System (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Registered Note Global Notes, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or such Alternative Clearing System. Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Registered Note Global Note and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange

1. Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Final Terms indicates that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “Summary of the Programme—Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below; and

- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

2. *Permanent Global Notes*

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided below, in part for Definitive Notes or, in the case of (iii) below, Registered Notes:

- (i) unless principal in respect of any Notes is not paid when due, by the Issuer giving notice to the Noteholders and the Fiscal Agent of its intention to effect such exchange;
- (ii) if the relevant Final Terms provides that such Global Note is exchangeable at the request of the holder, by the holder giving notice to the Fiscal Agent of its election for such exchange;
- (iii) if the permanent Global Note is an Exchangeable Bearer Note, by the holder giving notice to the Fiscal Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; and
- (iv) otherwise, (1) if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so, (2) if principal in respect of any Notes is not paid when due by the holder giving notice to the Fiscal Agent of its election for such exchange or (3) in such circumstances as are specified in the relevant Final Terms.

3. *Registered Note Global Certificates*

If the Final Terms state that the Notes are to be represented by a permanent Registered Note Global Certificate on issue, transfers of the holding of Notes represented by any Registered Note Global Certificate pursuant to Condition 2(b) (Transfers of Registered Notes) may only be made in part:

- (i) if the Notes represented by the Registered Note Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (ii) if principal in respect of any Notes is not paid when due; or
- (iii) in such circumstances as are specified in the relevant Final Terms; or
- (iv) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (i) or (ii) above, the Registered Holder has given the Registrar not less than 30 days' notice at its specified office of the Registered Holder's intention to effect such transfer.

4. *Partial Exchange of Permanent Global Notes*

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions (1) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (2) for Definitive Notes (i) if principal in respect of any Notes is not paid when due or (ii) if so provided in, and in accordance with, the Conditions (which will be set out in the relevant Final Terms) relating to Partly-Paid Notes.

5. *Delivery of Notes*

If the Global Note is a CGN, on or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or

to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Registered Note Certificates, as the case may be, or if the Global Note is a NGN, the Issuer will procure that details of such exchange be entered *pro rata* in the records of the relevant clearing system. In this Prospectus, “Definitive Notes” means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and Registered Note Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

6. *Exchange Date*

“Exchange Date” means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, or in the case of failure to pay principal in respect of any Notes when due 30 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Registered Note Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Prospectus. The following is a summary of certain of those provisions:

1. *Payments*

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note in CGN form, will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is a CGN, a record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. Condition 7(e)(vii) and Condition 8(d) of the terms and conditions (in relation to Senior Notes) and Condition 6(e)(vii) and Condition 7(d) of the terms and conditions (in relation to Subordinated Notes) will apply to the Definitive Notes only. For so long as Notes are represented by a Global Certificate, notwithstanding the provisions of Condition 7(b)(ii) (in respect of Senior Notes) and Condition 6(b)(ii) (in respect of Subordinated Notes), each payment will be made to, or to the order of, the person whose name is entered in the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where “Clearing System Business Day” means Monday to Friday inclusive except 1 January and 25 December. If the Global Note is a NGN or if the Registered Note Global Certificate is held under the NSS, the Issuer shall procure the details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the Global Note or the Registered Note Global Certificate will be reduced accordingly. Payments under a NGN will be made to its holder. Each payment so made will discharge the Issuer’s obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. For so long as Notes are represented by a Global Note, Condition 7(h) (in respect of

Senior Notes) and Condition 6(h) (in respect of Subordinated Notes) is modified with the effect that “business day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant Additional Financial Centre and:

- (i) (in the case of a payment in a currency other than EUR) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or
- (ii) (in the case of a payment in EUR) on a day on which the TARGET system is operating.

2. *Prescription*

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 9 in the case of the Senior Notes and in Condition 8 in the case of the Subordinated Notes).

3. *Meetings*

The holder of a permanent Global Note or of the Notes represented by a Registered Note Global Certificate shall (unless such permanent Global Note or Registered Note Global Certificate represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, the holder of a permanent Global Note shall be treated as having one vote in respect of each minimum Specified Denomination of Notes for which such Global Note may be exchanged. (All holders of Registered Notes are entitled to one vote in respect of each Note comprising such Noteholder’s holding, whether or not represented by a Registered Note Global Certificate).

4. *Cancellation*

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note.

5. *Purchase*

Notes represented by a permanent Global Note may only be purchased by the Issuer or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

6. *Issuer’s Option*

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg, Euroclear France (to be reflected in the records of Euroclear, Clearstream, Luxembourg and/or Euroclear, France as either a pool factor or a reduction in nominal amount, at their discretion or any other Alternative Clearing System (as the case may be).

7. *Noteholders’ Options*

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Fiscal Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time, where the permanent Global Note is a CGN, presenting the permanent Global Note to the Fiscal Agent, or to a Paying Agent acting on behalf of the Fiscal Agent, for notation. Where the Global Note is a NGN or where the Registered Note Global Certificate is held under the NSS, the Issuer shall procure that details of such exercise shall be

entered pro rata in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

8 *NGN nominal amount*

Where the Global Note is a NGN, the Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by such Global Note shall be adjusted accordingly.

9. *Events of Default*

Each Global Note provides that the holder may cause such Global Note, or a portion of it, to become due and repayable in the circumstances described in Condition 10 of the Senior Notes or Condition 9 of the Subordinated Notes by stating in the notice to the Fiscal Agent the nominal amount of such Global Note that is becoming due and repayable. If principal in respect of any Note is not paid when due, the holder of a Global Note or Registered Notes represented by a Registered Note Global Certificate may elect for direct enforcement rights against the Issuer to come into effect in relation to the whole or a part of such Global Note or one or more Registered Notes in favour of the persons entitled to such part of such Global Note or such Registered Notes, as the case may be, as accountholders with a clearing system under the terms of an amended and restated Deed of Covenant executed as a deed by the Issuer on 31 March, 2011 in relation to Senior Notes that are not denominated in Luxembourg francs or EUR, and under the terms of an amended and restated Undertaking governed by Luxembourg law executed by the Issuer on 31 March, 2011 in relation to Senior Notes that are denominated in Luxembourg francs or EUR and, in the case of Dexia BIL, Subordinated Notes. Following any such acquisition of direct rights, the Global Note or, as the case may be, the Registered Note Global Certificate and the corresponding entry in the register kept by the Registrar will become void as to the specified portion or Registered Notes, as the case may be. However, no such election may be made in respect of Notes represented by a Registered Note Global Certificate unless the transfer of the whole or a part of the holding of Notes represented by that Registered Note Global Certificate shall have been improperly withheld or refused.

10. *Notices*

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note except that so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, notices shall also be published in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu).

Partly-Paid Notes

The provisions relating to Partly-Paid Notes are not set out in this Prospectus, but will be contained in the relevant Final Terms and thereby in the Global Notes. For so long as any instalments of the subscription moneys due from the holder of Partly-Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). In the event that any Noteholder fails to pay any instalment due on any Partly-Paid Notes within the time specified, the Issuer may be entitled to forfeit such Notes and shall have no further obligation to their holder in respect of them.

USE OF PROCEEDS

The net proceeds of the issue of the Notes and Warrants will be used for the general financing purposes of the Issuer. If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms or Final Terms for the Warrants, as the case may be.

Risk Management

Monitoring of the risks relating to the Issuer and its operations and the banking industry is performed jointly by the appropriate committees and the Risk Management department, with the help of tools that it develops, in compliance with the guidelines established by the Dexia Group and all legal constraints and rules of prudence. As regards the supervision of risks in the subsidiaries and branches, the Issuer has its own local risk management structure. The risk management structures are strictly independent of the front-offices and reporting to the Issuer's Local Risk Management department either directly (branches) or functionally (subsidiaries). The Issuer's control and management of credit risk is the responsibility of Credit Risks, which comes under the management of Finance and Risks. Credit Risks sets out the risk policy and credit procedures, monitors adherence to the regulations of the *Manuel de Procédures et de Politique de Crédit* (MPPC – Credit Policy and Procedures Manual) and oversees the Dexia group's credit risk policies relating to counterparty risk.

Credit Risks plays an active part in taking decisions in various specialised risk committees at both local and group level.

DEXIA GROUP

Dexia is a European banking group, with about 35,200 members of staff and core shareholders' equity of EUR 19.2 billion as at 31 December 2010. The Group carries out its activities principally in Belgium, Luxembourg, France and Turkey.

The Dexia share is listed on Euronext Brussels and Paris and the Luxembourg Stock Exchange, and is included in the BEL20, reference index of the Brussels Stock Exchange, and the Dow Jones EuroStoxx Banks.

DEXIA 2014: A RETAIL BANK SERVING 10 MILLION CUSTOMERS

The Dexia Group has posted clear strategic ambitions for 2014 and fixed as objectives:

- to complete its financial restructuring, giving precedence to income from its commercial franchises;

- to consolidate and to develop its strong commercial franchises, rebalancing its business line portfolio around retail banking, and tapping growth opportunities offered by the market in Turkey;

- to adopt an optimised operational model, supported by the search for synergies and efficiency gains.

This return to the essence resulting from the Group's strategic repositioning is reflected in Dexia's values, whereby members of staff share three aims: respect, excellence and agility.

BUSINESS LINES

Retail and Commercial Banking

Dexia offers a wide range of retail, commercial and private banking services to over 8 million customers.

Dexia ranks among the three largest banks in Belgium and Luxembourg. In Belgium, Dexia serves its 4 million customers through a network of approximately 850 branches. The Luxembourg operation is the international wealth management centre within the Group; it also covers the country with a nationwide network of branches. Dexia also holds a strong position in Turkey, through DenizBank, which currently stands in sixth position among privately-held banks and serves its customers through a nationwide network of some 500 branches. Besides the retail and commercial banking activities, DenizBank is a fully-fledged bank, with a significant corporate activity and offering its clients asset management services and insurance products.

The Group aims to continue developing its commercial franchises in Belgium and Luxembourg and to capture the significant growth potential of Turkey. The objective is to increase the proportion of income from its retail and commercial banking activities (approximately 60 per cent. of the Group's total income, including 29 per cent. from Turkey) and to achieve a client base of 10 million (4 million in Belgium and Luxembourg, 6 million in Turkey) by 2014.

Public and Wholesale Banking

Dexia plays a major role in the financing of local facilities and infrastructures, the health and social housing sectors and the social economy, principally in Belgium and France.

Dexia is also active

- in the field of project finance, adopting a selective approach and in sectors such as infrastructures and renewable energies, both in Europe and North America;

- in the field of corporate banking in Belgium, where Dexia focuses on medium-sized corporates, whilst maintaining an opportunist presence with large corporates.

In addition, the Group is established in Germany, with an access to the *Pfandbriefe* market.

Close to its clients and fully in tune with their requirements, Dexia is constantly developing and widening its range of products and services. The aim is to go well beyond the role of specialist lender, offering clients of the business line integrated solutions (treasury management, budget optimisation, IT solutions and so on) most suited to their needs.

Asset Management and Services

This business line consists of three activities (asset management, investor services and insurance), characterised by attractive growth outlook based on a diversified clientele and strong collaboration with the Group's other commercial franchises.

With EUR 86.4 billion of assets under management as at 31 December 2010, Dexia Asset Management is the Group's asset management centre. Its four management centres (in Belgium, France, Luxembourg and Australia) serve a broad client base.

The investor services business is conducted by RBC Dexia Investor Services, a joint venture with Royal Bank of Canada, which offers its expertise in global custody, fund and pension administration and shareholder services to institutions all around the world. Total assets under administration amounted to EUR 2,101 billion as at 31 December 2010.

Dexia's insurance activities are mainly concentrated on the Belgian and Luxembourg markets. The Group offers a complete range of life and non-life insurance products to retail, commercial and private banking clients as well as to Dexia's public and semi-public clients, through a banking-insurance approach and through a network of tied agents.

Jean-Luc Dehaene, Chairman of the Board of Directors, said: “Over the last two years, Dexia has undergone major changes leading to a reinforcement of its financial basis, expansion of its client franchises and reshape of its operating model. As regularly mentioned, 2010 and 2011 are transition years towards a financial and commercial refocus. In what remained a mixed environment, 2010 was a year of accelerated transformation and was marked by major achievements of the Group thanks to the remarkable mobilization of all members of staff and management. We crossed an important milestone by fully exiting from the State guarantee support on funding and the deployment of our commercial plan is on track. Therefore, I am fully confident in the Group’s ability to achieve the targets it has set for 2014, as communicated on 12 October 2010, leading to the best interests of all stakeholders.”

Pierre Mariani, CEO and Chairman of the Management Board, said: “Acceleration of the financial restructuring and strategic development of our commercial franchises were our top two priorities in 2010, as announced in our 2008 far-reaching transformation plan and confirmed during our last Investor day in October 2010. In that respect, 2010 net income of EUR 723 million meets our expectations with, on one side, a solid contribution in progression of 18% of our commercial business lines and, on the other hand, a decrease of the financial revenues associated to the Group’s commercial refocus and a sharp improvement of its liquidity profile, rebalanced towards long-term funding together with a fast pace of asset disposals. The Group financial strength is confirmed with a

Tier 1 ratio at 13.1% which will enable Dexia to face the ongoing regulatory changes. As committed, the implementation of the transformation will still be on the agenda for 2011."

During its 23 February 2011 meeting, the Board of Directors approved the 4Q and FY 2010 financial statements of Dexia.

2010 Dexia Group reported results: net profit of EUR 723 million

At EUR 5,310 million 2010 **income** was marked by the acceleration of the transformation of the Group and in particular by the strengthening of its financial structure. Indeed, the sharp decrease of the liquidity gap and the Group's active deleveraging programme, in line with Dexia's targets, were reflected by a EUR 528 million decrease in Treasury revenues against 2009 record results and a EUR 283 million loss on margins on run-off assets. Although remaining contained, the cost of deleveraging also impacted revenues with a EUR 212 million loss for a total of EUR 27.2 billion of asset sales. The stronger contribution from the commercial business lines and the positive effects of the Legacy trading portfolio valuation (CDS linked to synthetic securitization and CVA on CDS intermediation) did not fully offset this impact. Consequently, income fell by 14% in 2010. Excluding FSA Insurance (deconsolidated as from 2Q 2009), the decrease was 9% compared to the FY 2009.

Costs totalled EUR 3,703 million (+2.7% on 2009). Within the context of its restructuring plan, Dexia booked EUR 145 million of provisions for restructuring costs in 2010 against EUR 89 million in the previous year. Excluding those restructuring costs and reversal of bonuses, costs remained flat. In 2010, the cost base was also impacted by business-related costs in Turkey resulting from the network expansion (+50 branches yoy) and by EUR 52 million of currency impact on RBC Dexia and Deniz-Bank. The cost-income ratio amounted to 69.7% for the full year 2010.

In 2010, **gross operating income** was EUR 1,607 million compared to EUR 2,577 million in 2009.

The **cost of risk** was down sharply on 2009 (-41%) at EUR 641 million. Excluding FSA Insurance, the cost of risk fell by EUR 183 million, reflecting diverging trends. On the one hand, the Group benefited from a decrease of the cost of risk in Retail and Commercial Banking (EUR -104 million yoy) mainly due to a rapidly improving credit environment in Turkey, EUR 195 million reversals of impairments in Public and Wholesale Banking also reflecting an improvement of the environment and EUR 191

million reversals on collective impairments for ABS and subordinated debt booked in the bond portfolio in run-off following the disposal of assets. On the other hand, 2010 was marked by higher impairments on the Financial Products portfolio (up EUR 328 million on FY 2009), particularly during the last quarter of the year in line with tougher assumptions on the US RMBS market. These provisions have not however impacted Dexia's regulatory solvency ratios which have been immune from losses and provisioning on the FP portfolio following the Financial products State Guarantee mechanism (see page 11).

Other impairments and provisions for legal litigations amounted to EUR 42 million.

Consequently, **pre-tax income** amounted to EUR 924 million against EUR 1,403 million in 2009.

Tax expenses were EUR 127 million and the effective tax rate 14%, principally explained by EUR 143 million of one-off positive items: USD 51 million (EUR 39 million) of tax refunds in the US (booked in 3Q 2010), EUR 78 million of reversals of Deferred Tax Assets (DTA) or tax provisions and tax impacts related to the closure of foreign entities. In 2010, EUR 21 million DTA on timing differences on the Financial Products portfolio were also recognized on provisions exceeding the economic loss assessment after deduction of the Own Credit Risk.

After taking EUR 74 million of **non-controlling interests** into account, **net income Group share** amounted to EUR 723 million in 2010 against EUR 1,010 million in 2009.

Earnings per share amounted to EUR 0.39 for 2010.

As in 2010, the Board of Directors decided on 23 February 2011 to propose to the Extraordinary Shareholders' Meeting of 11 May 2011, to approve a capital increase by incorporation of reserves in an amount of approximately EUR 280 million by the issue of new shares to shareholders in the form of bonus shares. Bonus shares are new ordinary shares representing the capital of Dexia, issued in consideration of the capital increase by incorporation of reserves, and issued to shareholders *pro rata* to their shareholding. They will have the same dividend right and the same rights as existing Dexia shares on their date of issue.

4Q 2010 Dexia Group reported results: net profit of EUR 56 million

In 4Q 2010, **income** amounted to 1,214 million, down 9% compared to 4Q 2009 excluding the EUR 153 million capital gain related to the sale of the Group's stake in Crédit du Nord booked in 4Q 2009. The main driver of the decrease in revenues was the ongoing reduction of the liquidity gap which, combined with less favourable market conditions, led to lower treasury revenues (EUR -105 million) versus 4Q 2009.

Costs totalled EUR 972 million up 6% compared to the same quarter in 2009 due to EUR 48 million of provisions for restructuring costs in 4Q 2010 and to business-related expenses in Turkey. The cost base was also negatively impacted by EUR 38 million currency effect on both RBC Dexia and DenizBank.

Gross operating income amounted to EUR 242 million.

The **cost of risk** fell sharply (-27%) in 4Q 2010 compared to 4Q 2009 to EUR 201 million, driven by diverging trends. The cost of risk on Financial Products increased by EUR 92 million on 4Q 2009 to EUR 232 million in line with tougher modelling assumptions on the US RMBS market. In contrast, the cost of risk in Retail and Commercial Banking fell by 49% at 35 basis points on average customer loans and EUR 102 million reversals of provisions substantially reduced the cost of risk of Public and Wholesale Banking compared to 4Q 2009.

Other **impairments and provisions for legal litigations** were impacted by EUR 107 million reversals mainly linked to the Ritro litigation in Slovakia.

Consequently, **pre-tax income** amounted to EUR 148 million. **Tax expenses** were EUR 70 million leading to an effective tax rate of 47% due to the negative impact of deferred tax related to the Financial Products portfolio (EUR -101 million) and unused tax losses.

After taking EUR 22 million of **non-controlling interests** into account, **net income Group share** amounted to EUR 56 million in 4Q 2010 against EUR 202 million in 4Q 2009.

2010: acceleration of the transformation plan

Throughout the year 2010, the Group successfully accelerated its transformation plan leading to a sharp reduction of its short-term funding requirement and a further consolidation of its financial structure despite a turbulent economic environment.

The Group continued to refocus on its main franchises and its historical markets and this was reflected by several disposals: sale of the common shares in Assured Guaranty in 1Q 2010, of SPE and Dexia Epargne Pension (DEP) in 2Q 2010 and of AdInfo in 3Q 2010. In 4Q 2010, Dexia also concluded an agreement with Penta Investments, a Central European investment group, on the sale of its 88.71% stake in Dexia banka Slovensko. Regulatory approval has been obtained and the sale is expected to be finalized in 1Q 2011, ahead of the target date (31 October 2012) provided for by the European Commission decision. Finally, the sale process of DenizEmeklilik, the insurance subsidiary of DenizBank in Turkey, has been launched in 4Q 2010. Non-bidding offers have already been received.

In line with the European Commission decision, Dexia also undertook to sell its 70% holding in Dexia Crediop (Italy) before 31 October 2012 as well as its 60% holding in Dexia Sabadell (Spain) before 31 December 2013.

The deleveraging of the balance sheet remains a high priority and Dexia considerably accelerated the pace of disposals in 2010. In total, EUR 27.2 billion of bonds and loans were disposed in 2010 at a contained 0.78% average rate of loss (impact of EUR 213 million on the statement of income). Thanks to its centralized and dedicated teams, a total of EUR 52.4 billion of assets have been sold since October 2008 at 0.89% of average loss on nominal through a "best execution strategy".

On the bond side, since October 2008, EUR 45.9 billion of Core and Legacy bonds have been sold at an average loss of 0.82% of the nominal, of which EUR 22.4 billion in 2010. The sales were mainly focused on ABS, MBS and bank debt, the high granularity of the portfolio allowing for a good mix of sales opportunities. 55% of the bonds sold were denominated in non-Euro currencies thus strongly reducing the Group's non-Euro liquidity gap.

Dexia also sold EUR 6.5 billion of non-strategic loans booked in its segment "PWB run-off commitments" (of which EUR 4.8 billion in 2010). Those loans were mainly booked in Japan. The accelerated pace of sale will enable the group to bring forward the closure of some of its international entities in 2011.

The Group is actively pursuing its plan of deleveraging plan in 2011 with a total of EUR 4 billion of assets sold as at 22 February 2011 (impact of EUR 44 million on the statement of income or 1.1% of average loss on nominal). The total amount of sales targeted in 2011 is approximately EUR 15 billion.

Combined with the swift execution of the long-term funding programme, the reduction of PWB lending activity and the increased collection of deposits, the deleveraging enabled the Group to improve its liquidity position further. Indeed, at EUR 119 billion at the end of December 2010, Dexia's short-term funding gap was decreased by an impressive EUR 141 billion since the peak it reached in October 2008, of which a EUR 48 billion decrease was achieved in 2010.

The Group has raised a total of EUR 86.3 billion of wholesale medium and long term resources since the end of 2008. In 2010, EUR 44.4 billion were issued through EUR 23.2 billion of government-guaranteed debt, EUR 13.6 billion of long-dated covered bonds, EUR 4.5 billion of long-term secured funding other than covered bonds and EUR 3.2 billion of senior unsecured funding. At the beginning of 2011 the long-term wholesale funding programme was also solid with slightly more than EUR 4 billion issued as at 17 February 2011. The 2011 funding programme has been aligned with investors' appetite and should be around EUR 15 billion.

Furthermore, the successful deployment of the group's commercial strategy was reflected in RCB and PWB deposits, up by EUR 16.6 billion since end of 2008 increasing the base of Dexia's stable resources.

Over the past two years, the Group has not only demonstrated its ability to reduce its short-term liquidity gap but also to improve the quality of its short-term funding mix. Indeed, the Government guarantee issuance mechanism was discontinued from 1 July 2010 onwards, in line's with Dexia's decision to exit the State guarantee mechanism earlier than scheduled. As at 31 December 2010, the guaranteed short-term outstanding (money market) is nil and the remaining EUR 44.4 billion medium-term guaranteed debt will amortize by 2014, of which approximately 40% will amortize in 2011.

Furthermore, Dexia accelerated the cutback of central bank borrowings leading to a EUR 97 billion decrease of the outstanding amount of central bank funding between October 2008 when it reached the peak of EUR 122 billion and the end of December 2010. As of February 2011, central bank borrowings are below pre-crisis levels at EUR 18 billion.

Despite the deleveraging the Group maintains its ability to fund in the repo market and the shift towards longer-term bilateral and tri-party repos was confirmed in 2010. As at the end of December 2010, the outstanding of bilateral and tri-party repos amounted to EUR 48 billion.

Lastly, the Group still enjoys a comfortable buffer of eligible securities. As at the end of December 2010, eligible securities amounted to EUR 108 billion (of which EUR 42 billion were unencumbered).

As part of its transformation plan, Dexia also undertook to reduce its cost base by 600 million between the end of 2008 and the end of 2011. With EUR 416 million cost reductions between the end of 2008 and the end of 2010, the Group is on track to meet this objective.

The Dexia restructuring plan is being monitored by an independent expert commissioned by Dexia and the European Commission. The extent to which the objectives are being met will be concluded from the report to be issued by the expert by 30 April, 2011. With regard to the commitments related to the balance sheet, accounting data as at 31 December, 2010 will be restated, in compliance with the measures outlined in the Commission's decision.

Note: 2010 figures unaudited

Under the segment reporting introduced in 1Q 2010, the Core Division includes the contributions of Retail and Commercial Banking (RCB), Public and Wholesale Banking (PWB), Asset Management and Services (AMS) and Group Center.

The capital gains related to the sale of SPE (EUR 69 million) and of DEP (EUR 29 million) both closed in 2Q 2010 and of AdInfo (EUR 14 million) closed in 3Q 2010 were recorded in the Core Division.

In 2010, the Core Division reported a **pre-tax income** of EUR 1,140 million up 11% on FY 2009 driven by diverging trends. Pre-tax of the commercial business lines increased by 18% (excluding the aforementioned capital gains) supported by the strong performance of Retail and Commercial Banking and Insurance, a resilient Public and Wholesale Banking activity and a recovery in the financial markets driving up Asset Management and Investor Services. In contrast, the strengthening of the Group's liquidity profile, in line with targets, impacted the pre-tax income of the Group Center due to a sharp fall in treasury income.

In 4Q 2010, pre-tax income amounted to EUR 394 million, more than twice the level of 4Q 2009 which was impacted by a high level of provisions.

Retail and Commercial Banking (RCB)

(See business line statement of income in appendix)

The development of its retail franchises is central to Dexia's commercial strategic plan and the Group kept a strong focus on expanding its customer franchise and better serving its client base in 2010. In a context of gradual economic recovery, Dexia pursued the development of its "New Distribution Model" in Belgium while further strengthening its private banking franchise in Luxembourg. In Turkey, DenizBank benefited from the fast growth of the economy, supported by a strong domestic demand, increasing foreign trade, and an overall but raising level of bank penetration.

This positive commercial momentum translated into robust growth in loans and deposits. Total customer loans rose by EUR 5 billion (of which EUR 3 billion of business loans and EUR 1.7 billion of mortgages) and reached EUR 56 billion at year-end.

The deposit collection recorded a strong 8% increase (EUR +6.2 billion to EUR 87.7 billion) on FY 2009, of which 40% from Turkey. In Belgium, the product mix remained oriented towards savings accounts as retail and private customers remained very cautious in the light of still uncertain financial markets. This principally explained the 3% fall in off-balance-sheet assets (excluding life insurance products) which amounted to EUR 36 billion at year-end 2010. Life insurance technical reserves were up 10% on 2009 at EUR 11.9 billion, driven by guaranteed-yield insurance products (branch 21) in Belgium and unit-linked contracts in Luxembourg.

In **Belgium**, 2010 was an important milestone for the implementation of the new distribution model which is part of the investments supporting Dexia's commercial ambitions. By the end of 2010, 304 branches were refurbished and additional specialised account managers were appointed to improve customer service further. Although not yet reaching its full potential, the new distribution model has delivered its first results with the customer satisfaction improving in 2010 and the market share in assets rising to 14%. This contributed to significant growth in loans and deposits. Overall, customer assets were up 4% to EUR 93.4 billion and loans grew by EUR 1.8 billion (or 6%) driven by business and mortgage loans. EUR 3.4 billion were collected on savings accounts (reaching EUR 32 billion at year-end 2010), a 12% increase compared to last year and a 39% increase in a two year-period. Structured bonds issued by the Group grew by EUR 1.8 billion and life insurance technical reserves rose by EUR 0.8 billion.

In **Luxembourg**, the bank further consolidated its local franchise and increased its market share as "main banker" of Luxembourg individuals from 13% in 2009 to 14% in 2010. The recruitment of wealth managers and the diversification of the offer to affluent and private clients led to a successful repositioning of private banking, confirmed by a 5% increase in the mandate penetration at 24%. Total customer assets were up 3% year-on-year to EUR 31 billion supported by a strong rise in life insurance (+34% in life reserves). Loans were up 2% to EUR 9 billion at year-end 2010.

In **Turkey**, DenizBank continued its fast expansion, following its roadmap. With 50 new retail and SME branches to reach 500 domestic branches in total by the end of the year and 346 extra ATMs made available to its clientele, DenizBank continued to expand its customer franchise in 2010. DenizBank gained 425,000 new retail and business customers (+11% compared to 2009) and the cooperation with the Turkish Post signed in November 2010 added a potential of 3 million new customers to its client base. With a 34% rise to TRY 19.7 billion (or EUR 9.6 billion) the deposit gathering has beaten the 20% average sector growth. Outstanding loans also posted a sharp 28% increase to TRY 23.8 billion (or EUR 11.6 billion) reflecting the dynamism of the Turkish economy. As a result the loan to deposit ratio of DenizBank stabilized around 120% at year-end 2010 following a sharp decrease from 146% to 126% between 2008 and 2009.

In 2010 the **pre-tax income** of the RCB division increased by a solid 32% to EUR 709 million compared to FY 2009, testifying to the healthy commercial position of the Group and the improvement of the risk environment. **Income** increased by EUR 86 million on FY 2009 at EUR 2,852 million, mainly supported by good revenue generation in Belgium driven by volumes and a favourable product mix. In Turkey, revenues benefited from a positive exchange rate impact and increased volumes which more than offset the margin shrinkage in line with the fast decreasing Cost of Risk.

Whereas cost reduction efforts continued in Belgium and Luxembourg, **costs** went up 4% in 2010 (to EUR 1,935 million) as a result of the business expansion in Turkey and a negative TRY/EUR currency impact.

The **cost of risk** fell sharply (-33%) in 2010 amounting to EUR 208 million mainly as a result of an improving environment in Turkey.

In 4Q 2010, pre-tax income stood at EUR 146 million, up 28% on 4Q 2009. Income amounted to EUR 707 million, affected by around EUR 30 million related to the Belgian deposit guarantee scheme. Costs were driven up (+9% on 4Q 2009) by the business expansion in Turkey and the cost of risk reached 35 basis points on average customer loans, i.e. a 54% decrease compared to 4Q 2009. By country, it represented a 62% decrease for Turkey in line with a further NPL decrease and a 25% decrease for Belgium and Luxembourg.

Public and Wholesale Banking (PWB)

(See business line statement of income in appendix)

Since 2008, PWB has drastically refocused its activities on its core markets and franchises i.e. providing credit and non lending services to the public and social sector in Belgium, France, Spain and Italy as well as to corporate clients in Belgium, and developing its leading edge expertise on PFI, PPP and energy/environment in project finance with a broader geographical scope.

Globally long-term commitments were slightly down year-on-year, at EUR 228.2 billion, reflecting stability in the historic markets and a 4% decline in other geographic areas.

In Public Banking, Dexia's more selective approach has resulted in EUR 7.7 billion new long term commitments in 2010 (EUR 9.5 billion in 2009). New loans were mainly originated in France and Belgium, where Dexia's position as a skilled and selective specialist was better recognized, and to a lesser extent, in Spain. Margin levels were satisfactory in all markets as, for example, the average margin on the French and Belgium markets increased by 76% compared to 2009. Long-term commitments were slightly down year-on-year, at EUR 191.2 billion.

In Project Finance, Dexia, once again, demonstrated the quality of its franchise in 2010. Its recognized know-how in infrastructure, transport and renewable energy was confirmed by a large number of new lead-arranger mandates. Indeed, this expertise was recognised with awards 5 times in 2010, notably the "Europe Renewable Deal of the Year" for the "C-Power" wind farm project, the "Europe Telecoms Deal of the Year" for the GSMR transaction and the "Europe PPP Deal of the Year" for the Birmingham Highways.

New commitments in Project Finance amounted to EUR 1.4 billion in 2010 (EUR 27.9 billion of total outstanding), +4% on 2009, in line with the strong focus given to syndication and asset rotation.

In Corporate Banking, EUR 1.2 billion of new commitments were originated in 2010 on a selective and profitable basis.

The deposit collection increased by 8% in 2010, reflecting PWB business focus on liquidity. This growth was notably supported by a dynamic collection in Belgium and in Germany.

In 2010, PWB benefitted from a positive trend of commercial margins, increasing fees from the Project Finance activity and an improvement of the environment driving down the Cost of Risk. However, the improvement of the funding mix of the business line, relying on longer-dated and more stable resources more than offset these positive elements and **pre-tax income** was down 3% on FY 2009 at EUR 544 million.

Income fell by 18%, mainly due to higher allocated costs of funding (EUR 290 million) which more than offset EUR 83 million of capital gains and positive margin evolution. Restated from capital gains recorded in 2010, the decline would have been 25%.

Costs were well controlled, down by 3% in 2010 compared to FY 2009, mainly supported by the implementation of the transformation plan.

The **cost of risk** returned to the traditionally low levels recorded by the business line after higher provisioning in project finance in the second half of 2009. The improvement of the environment led to a decrease in the cost of risk of EUR 195 million compared to FY 2009. 2009 was marked by EUR 128 million of provisions whereas reversals were booked in 2010, in particular during the fourth quarter of the year.

In 4Q 2010, the business lines benefited from an increase in interest margins, higher market-related revenues and significant up front fees which boosted revenues up by 9% versus 4Q 2009. Costs

remained well controlled and down 7% compared to 4Q 2009. The Cost of Risk recorded a sharp decrease versus 4Q 2009 following a reversal of EUR 107 million, of which EUR 62 million reflecting a change in methodology due to a now mature project finance activity having reached critical mass. As a result, pre-tax income was up by EUR 161 million compared to 4Q 2009 at EUR 221 million.

Asset Management and Services (AMS)

(See business line statement of income in appendix)

Asset-Management and Services comprises three divisions, namely Asset Management, Investor Services and Insurance.

In 2010, the Asset Management and Services contribution to the Group's **pre-tax income** was sharply higher at EUR 308 million i.e. twice the level of 2009, supported by a strong drive of Insurance and Investor Services. Insurance contributed up to 60% to the total pre-tax income of the business-line in 2010, while Asset Management and Investor Services represented a share of 20% each.

Asset Management

In 2010 Dexia AM expertise was rewarded by several new mandates from pension funds, corporate and public sector clients both in fixed income and equities. It also received 3 different awards as asset manager for its excellent performances and 24 awards for specific funds in 10 different countries.

The business line's Assets under Management (AuM) amounted to EUR 86.4 billion at the end of December 2010, up 4.8% compared to December 2009. This EUR 4.0 billion growth is due to a strong inflows in institutional and private mandates (EUR 4.9 billion) enhanced by a positive market effect (EUR 4.0 billion), more than offsetting outflows in retail (EUR -2.2 billion) and institutional funds (EUR -2.7 billion). Private and retail clients have continued to show a preference for on-balance-sheet products given the uncertain economic and financial environment. In 4Q 2010, AuM remained stable (+0.2%).

In 2010, the business line's pre-tax income amounted to EUR 63 million, up 53% compared to 2009, driven by higher revenues (+14%) while costs remained well under control. The total costs on average AuM ratio decreased from 16.2 basis points in 2009 to 15.5 basis points in 2010, reflecting a high degree of efficiency.

In 4Q 2010, Asset Management posted a pre-tax income of EUR 12 million compared to EUR 19 million in 4Q 2009.

Investor Services

2010 confirmed the rebound of the Canadian and US equity markets, enabling Investor Services to post an extremely satisfactory commercial performance. This momentum translated into a 23% growth of Assets under Administration (AuA) at EUR 2,101 billion (of which EUR +144 billion in 4Q 2010). This growth was also enhanced by a foreign exchange effect and in particular the 12% appreciation of the CAD/ EUR and 7% appreciation of the USD/EUR. Finally, the integration on 31 May 2010 of Ubi Banca Depository Bank business contributed to EUR 20 billion growth in AuA.

Sustained by the same parameters, Assets under Custody (AuC) posted 27% growth in 2010. The number of accounts managed within the transfer agent activity rose by 667,000.

In 2010, the division's pre-tax income amounted to EUR 60 million, more than twice the pre-tax income recorded in 2009. Income was up 20% at EUR 393 million thanks to the positive AuA evolution and to increased FX margins as investors rebalanced their currency exposure.

At EUR 332 million, costs were up 13%, half of the increase being driven by a currency impact.

Annual gross operating income amounted to EUR 61 million, of which EUR 1 million associated with the integration of Ubi Banca Depository Bank business (EUR +8 million in income and EUR -7 million in costs) from 31 May 31 2010.

In 4Q 2010, the division's pre-tax income totalled EUR 20 million (+100% on 4Q 2009). At EUR 106 million (+31% on 4Q 2009), the income benefited from a rise of the Canadian base rate and the good health of the division core financial markets. Costs increased by 20% against 4Q 2009 mainly due to a currency impact.

Insurance

Dexia Insurance Services recorded an excellent commercial performance in 2010. Total gross written premiums increased by 52% to EUR 3.5 billion driven by Life insurance (+ 64% to EUR 3 billion) that has benefited from high customer demand supported by commercial campaigns and non-life (+4% to EUR 504 million).

In Belgium, the retail network collected twice as much in premiums as in 2009 and in the Public and Wholesale Banking the cross sale of Insurance products contributed positively to the growth of the business line's performance. Dexia Insurance Services successfully entered the second pillar pension market for public-sector related counterparties, which was a major commercial achievement in 2010.

In Luxembourg, Dexia Life & Pensions outperformed and collected EUR 1.1 billion within the context of the forthcoming European Savings Directive.

Consequently life insurance reserves grew by 12.7% in 2010 to reach EUR 18.4 billion at year-end.

In 2010, the business line's pre-tax income more than doubled (x 2.3) in comparison with FY 2009 and reached EUR 185 million thanks to improved revenues and a halved cost of risk. Income also benefited from higher financial results supported by outstandings and higher capital gains.

In contrast, **4Q 2010** was marked by lower financial results and extra provisions to strengthen life reserves. The pre-tax income stood at EUR 34 million, a level lower than 4Q 2009 which benefitted from capital gains and reversal of impairments.

Group Center

(See business line statement of income in appendix)

Group Center includes the Treasury, the ALM and the Central Assets segments.

In 2010, Group Center posted a **pre-tax loss** of EUR 421 million, against a loss of EUR 222 million in 2009. Compared to 2009, the EUR 147 million fall of the division's income, to EUR 36 million is principally explained by a EUR 155 million decline of Treasury revenues compared to 2009 record results, following the ongoing reduction of the liquidity gap of the Group and less favourable market conditions. Restructuring costs booked mainly in the second half of the year impacted the costs (up EUR 27 million on 2009). The **cost of risk and other impairments** amounted to EUR 33 million in 2010, down EUR 25 million compared to 2009, which was positively impacted by reversals of impairments.

In **4Q 2010**, income amounted to EUR -40 million, down EUR 48 million compared to 4Q 2009 due to EUR 37 million decrease in Treasury revenues and EUR 53 million negative adjustments related to the cessation of international activities, partially offset by EUR 14 million gain on DenizBank Turkish CPI bond portfolio. Costs totalled EUR 116 million and were impacted by EUR 48 million of restructuring costs. Lastly, other impairments and provisions for legal litigations improved by EUR 129 million compared to 4Q 2009, at EUR 117 million as a result of reversals of provisions, particularly the provision related to the Ritro litigation in Slovakia.

As a consequence, the division's pre-tax income amounted to EUR -39 million, against EUR -114 million in 4Q 2009.

Note: 2010 figures unaudited

The Legacy Portfolio Management Division (LPM Division) includes the contributions from the Group's bond portfolios in run-off (including the Financial Products portfolio) and the PWB run-off commitments. The LPM Division is also allocated part of the Treasury result. Entities to be divested are still reported in the Core Division.

The capital gains on the disposal of Crédit du Nord (EUR 153 million booked in 4Q 200) and on the sale of the stake in Assured Guaranty (EUR 153 million booked in 1Q 2010) were both allocated to the Legacy Division. FSA Insurance was deconsolidated as from 2Q 2009.

In **2010**, the LPM Division recorded a pre-tax loss of EUR 216 million, against EUR 376 million (including FSA Insurance) or EUR 305 million (excluding FSA Insurance) positive results in 2009.

Over the year, the LPM Division posted a positive result in the first quarter and losses in the last three. This evolution is explained, in particular, by the EUR 414 million (excluding FSA Insurance) fall in income compared to FY 2009 driven by a EUR 373 million decrease in Treasury income allocated to the division in line with the ongoing decrease of the liquidity gap but also the reduction of net margins on the PWB run-off commitments (EUR -121 million) and on the bond portfolio in run-off (EUR -162 million). The cost of risk, up by EUR 121 million (excluding FSA Insurance), was impacted by a reversal of collective provisions on ABS and subordinated debt booked in the bond portfolio in run-off, for an amount of EUR 184 million, and by a EUR 328 million increase of the provisions on the Financial Products portfolio.

In **4Q 2010**, the LPM Division posted a pre-tax loss of EUR 246 million down EUR 325 million on 4Q 2009 which benefited from a EUR 153 million capital gain from the sale of Crédit du Nord. Excluding this capital gain, the decrease in pre-tax income is mainly explained by a EUR 69 million decrease of the Treasury revenue allocated to the LPM Division. In addition, the cost of risk was up EUR 100 million, impacted by additional provisions booked in the Financial Products portfolio.

The significant changes impacting for the segments of the LPM Division are set out in detail below.

The **bond portfolio in run-off** amounted to EUR 111.7 billion at year-end 2010, a reduction of EUR 22.5 billion on 2009. Thanks to the Group's voluntary balance-sheet deleveraging, EUR 18.8 billion bonds were disposed of from this portfolio, with a 1% loss of the nominal amount i.e. EUR 184 million. EUR 2 billion of bonds were sold in 4Q 2010, with an impact of EUR 53 million on the statement of income. Over the year, EUR 8 billion of bonds amortized and the size of the portfolio was inflated by EUR 4.4 billion currency impact.

The portfolio remains of good credit quality, at 95% investment grade (against 97% at year-end 2009) and the rating migrations were principally due to the impact of deleveraging and the downgrade of the Greek rating from A to BBB. The stock of impairments is down to EUR 884 million at year-end 2010, against EUR 956 million at year-end 2009.

In **2010**, the bond portfolio in run-off recorded a pre-tax loss of EUR 10 million, against a loss of EUR 316 million in 2009. Income was up EUR 115 million on 2009, principally driven by a EUR 293 million increase in trading income (CDS linked to synthetic securitization and CVA on CDS intermediation) which more than offset the reduction of interest margin (EUR -162 million) and deleveraging losses up by EUR 65 million, as volumes disposed of were higher in 2010. The cost of risk improved by EUR 184 million in 2010, marked by reversals of impairments, principally on ABS and on the banking sector.

In **4Q 2010**, the segment's pre-tax income was EUR 5 million, up EUR 41 million on 4Q 2009. Income totalled EUR 38 million against EUR -28 million in 4Q 2009, due to trading results (EUR +37 million) and reversals of impairments related to the disposal of assets (EUR 67 million) despite the decrease of the interest margin (EUR -28 million). Cost of risk stood at EUR 15 million, up EUR 27 million as a result of a collective impairment on ABS.

Over 2010, the **Financial Products portfolio** was reduced by USD 1.6 billion, to USD 13.8 billion (nominal value), due to USD 0.4 billion asset sales (of which USD 0.2 billion in 4Q 2010) and to the amortization of the portfolio. The expected average life of the portfolio was 9.2 years at year-end 2010.

The total cash shortfalls and realised losses on the portfolio increased by USD 82 million over the quarter, to USD 624 million. This includes USD 49 million shortfalls and USD 33 million losses on asset sales that were mitigated by a release of collective impairments.

In 2010, the Financial Products portfolio posted a pre-tax loss of EUR 299 million, against a EUR 169 million loss in 2009. The EUR 204 million rise in income, to EUR 282 million as a result of gains on own credit risk and of the sale of the stake in Assured Guaranty (EUR 153 million) did not totally offset the EUR 328 million rise of the Cost of Risk over the year.

4Q 2010 was impacted by additional impairments, the background of which is given below, leading to a pre-tax loss of EUR 243 million.

In a context characterized by a volatile economic environment and large stocks of homes which will continue to weigh heavily on the real estate market, at least in 2011, Dexia adapted its US RMBS scenario to take into account the following considerations:

- During 2010, a high percentage of delinquent loans, in particular subprime loans, have been restructured by the servicers, and this has contributed to improve the default rate on such assets. However, Dexia estimates that part of these defaults could be just postponed in time.
- The visibility on housing price recovery is remaining low due to the existing large stock of homes for sale and to other negative factors such as the impact of the potential forecloser freeze.

Dexia therefore proceeded to make some adjustments of its assumptions for US RMBS in 4Q 2010. In particular, to reflect the assessed impact of loans modifications, Dexia assumes that the current default rates will not improve within the next 3 years and might need 4 additional years to return to the levels observed before materialization of the crisis. Moreover, Dexia assumes that the current severity rates ⁽¹⁾ will not show any improvement until the end of the transactions.

As a consequence, in 4Q 2010:

- The expected economic losses (discounted expected cash shortfalls) increased by USD 588 million versus 3Q 2010 to USD 1.796 billion. Such an estimate is made to the best of Dexia's knowledge based on market conditions as at the end of December 2010. The increase in expected economic losses led to a USD 135 million reductions of the Deferred Tax Assets.
- USD 50 million of specific impairments and USD 286 million of collective impairments were booked leading to a total of USD 2.252 billion impairments.
- By the end of December 2010, the level of cumulative impairments exceeds the expected economic losses by USD 456 million.

It is important to note that, in line with the **State Guarantee mechanism**, Dexia's regulatory solvency ratio is immune from provisions and losses on Financial Products (see press release published by Dexia on 14 November 2008 and Special Report of the Board of Directors dated 12 May 2009).

Those additional provisions therefore have no impact on Dexia's regulatory solvency ratio.

The modelling of the US RMBS portfolios is very sensitive to parameters such as the timing of defaults, loan modifications, house prices and the length of the crisis. Therefore any changes of the parameters could lead to significant modifications in the projected economic results compared to the 4Q 2010 "base scenario".

- As an example, under a scenario based on deteriorated default rates against the "base case" (higher level of default during the whole period) coupled with a higher (5%) severity, expected losses would increase to USD 2.3 billion.
- As another example, under a scenario based on a flat default rate curve "for ever", expected economic losses would increase to USD 2.8 billion.
- In contrast, a faster recovery in the US economy by 18 months compared to the "base case" would decrease the expected economic losses to USD 1.3 billion.

Assuming the materialization of one of those scenarios and as stated earlier, Dexia's regulatory solvency ratio is immune from provisions and losses in line with the state Guarantee mechanism.

Lastly, Dexia launched an active work-out process to optimize recoveries on the US RMBS portfolio in 2011, with a dedicated experienced team in New York, and filed lawsuits against different stakeholders involved in the US RMBS market. However, at this stage no potential positive impact of such litigation procedures has been taken into account in the Group's financial statements.

In 2010, PWB run-off commitments posted a pre-tax income of EUR -14 million, down EUR 138 million compared to FY 2009. This decrease is principally explained by the EUR 170 million fall in income related to the decrease in margin revenues, mainly due to reduced exposure on US Stand-By Purchase Agreements (SBPA), and to an active deleveraging of loans.²

The portfolio recorded a EUR 48 million loss on the EUR 4.8 billion loans disposed of in 2010. Furthermore income was impacted by the cessation of activities in Australia and Japan and subsequent asset repatriation.

In 4Q 2010, the division reported a pre-tax loss of EUR 10 million, against a gain of EUR 3 million in 4Q 2009. This trend is also explained by the fall of margins and the cost of asset sales which were partially offset by an improvement in the cost of risk, as specific impairments were booked in 4Q 2009.

Against the background of less favourable market conditions and in line with the sharp decrease in the Group's liquidity gap, the **Treasury result allocated to the LPM Division** was down sharply in **2010** (EUR -376 million) compared to the FY 2009 record result. The 2010 result was mainly generated during the first half-year.

In 4Q 2010, the Treasury result allocated to the LPM Division followed the same trend with a pre-tax income down by EUR 69 million on 4Q 2009 due to the same elements.

* Figures for December 2009 were restated to take into consideration the bonus shares (free of charge) distributed to the shareholders.

Note: 2010 figures unaudited

At the end of December 2010, Dexia's total assets reached EUR 567 billion, down by EUR 11 billion compared to December 2009. The impact of the deleveraging (EUR -27.2 billion) and natural asset amortization (EUR -27.6 billion), was partially offset by the new commercial production of the year (EUR +22.3 billion) and the increase (EUR +17.8 billion) in cash collateral postings and fair value adjustments of assets (mainly derivatives) following the evolution of the EUR and USD interest rate curves. In the fourth quarter of the year the balance sheet went down by EUR 32 billion mainly driven

² The "severity" refers to the loss expected on a property that would have been sold following a foreclosure process

by decrease of cash collateral posting, derivatives and fair value adjustments of hedged items following the strong increase of the EUR and USD interest rate curves during the last quarter of the year.

At EUR 19.2 billion, Dexia's core shareholders' equity increased by 3.9% on December 2009 supported by the robust organic capital generation of the Group.

The Group's total shareholders' equity amounted to EUR 8.9 billion, down 12.1% (EUR 1.2 billion) compared to the end of 2009. This decline is due to an increase of the negative Other Comprehensive Income

(EUR -2.0 billion), and in particular of the available-for-sale reserve on securities (AFS), from EUR -1.5 billion at the end of December 2009 to EUR -3.9 billion at the end of December 2010. The negative evolution on the AFS reserve on bonds is mainly explained by the spread widening on sovereign debt (Greece, Portugal and Italy). The frozen fair value of assets reclassified in Loans and Receivables improved by EUR 0.3 billion to EUR -5.3 billion by end of 2010. If the reclassification had not been made, an additional EUR -0.6 billion fair value adjustment would have been recognized. On a quarterly basis, the AFS reserve remained almost stable as the spread widening on covered bonds and bank debt was offset by a tightening of the sovereign debt.

At the end of December 2010, weighted risks amounted to EUR 140.8 billion, down EUR 2.3 billion compared to December 2009. Core weighted risks increased by 3% (EUR +2.3 billion) driven by the growth of activities in Turkey whereas the Legacy weighted risks fell by 9% (EUR -4.7 billion), mainly due to impairments on Financial Products and deleveraging efforts of the Group. During the last quarter of the year the weighed risks decreased by EUR 3.1 billion, mainly due to impairments on the Financial Products portfolio.

With a Tier 1 ratio of 13.1% (Core Tier 1 of 12.1%) as at end of December 2010, the Group enjoys a robust solvency which has been further strengthened in 2010 thanks to organic capital generation (+60 bps versus end of 2009) and by a decrease of total weighted risks by EUR 2.3 billion (equivalent to 21 bps).

TAXATION

The matters described below do not constitute, and should not be considered as, legal or tax advice to prospective purchasers. Prospective purchasers should consult legal or tax advisers in the country of their citizenship, residence or domicile to determine the possible tax or other consequences of purchasing, holding and redeeming Notes and/or Warrants, as the case may be, under the laws of the relevant jurisdiction.

Luxembourg Tax Consequences

The following is a summary discussion of certain material Luxembourg tax consequences with respect to the Notes and the Warrants. The summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to any particular holder of Notes, and does not purport to include tax considerations that arise from rules of general application or that are generally assumed to be known to holders of Notes and/or Warrants. It is not intended to be, nor should it be construed to be, legal or tax advice. This discussion is based on Luxembourg laws and regulations as they stand on the date of this prospectus and is subject to any change in law or regulations or changes in interpretation or application thereof that may take effect after such date. Prospective investors in the Notes and/or Warrants should therefore consult their own professional advisers as to the effects of state, local or foreign laws and regulations, including Luxembourg tax law and regulations, to which they may be subject.

1. Notes

Withholding Tax

Non-Residents

Under Luxembourg tax law currently in effect and except as provided for by the laws of 21 June, 2005 (the "2005 Laws") implementing the Directive 2003/48/EC on taxation of savings income in the form of interest payments (the "EU Savings Directive"), there is no withholding tax for non-resident holders of the Notes on payments of interest (including accrued but unpaid interest) and on payments received upon redemption or repayment of the principal or upon an exchange of the Notes.

Under the 2005 Laws and under the relevant Accords payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual or a residual entity, who as a result of an identification procedure implemented by the paying agent are identified as *residents* or are deemed to be *residents* of an EU Member State (other than Luxembourg) or a dependant or associated territory, will be subject to a withholding tax unless the relevant beneficiary has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her country of residence or deemed residence or has provided a tax certificate from his/her fiscal authority in the format required by law to the relevant paying agent.

Where withholding tax is applied, payments of interest and similar income will be subject to a withholding at a rate of 20 per cent. until 30 June 2011 and at a rate of 35 per cent. thereafter.

When used in the preceding three paragraphs "interest", "paying agent", and "residual entity" have the meaning given thereto in the 2005 Laws or the relevant Accords. "Interest" will include accrued or capitalised interest at the sale, repayment or redemption of the Notes. "Paying agent" is defined broadly for this purpose and in the context of the Notes means any economic operator established in Luxembourg who pays interest on the Notes to or ascribes the payment of such interest to or for the immediate benefit of the beneficial owner, whether the operator is, or acts on behalf of, the Issuer or is instructed by the beneficial owner to collect such payment of interest.

Payments of interest or similar income under the Notes to the clearing systems and payments by or on behalf of Clearstream, Luxembourg, to financial intermediaries will not give rise to a withholding tax under Luxembourg law.

Residents

Interest on Notes paid by a Luxembourg paying agent to an individual holder who is a resident of Luxembourg or to certain foreign residual entities securing the payment for the benefit of such individual holder will be subject to a withholding tax of 10 per cent. If the individual holder does not hold the Notes as business assets, the aforementioned 10 per cent. withholding tax will operate a full discharge of income tax due on such payments. In case interest is paid on the Notes to Luxembourg

resident individuals or to certain foreign residual entities securing the payment for the benefit of such individuals by a paying agent established in a Member State of the EU or the EEA other than Luxembourg or in a State party to an international convention linked to the EU Savings Directive, the beneficiary may opt for the application of the aforementioned 10 per cent. withholding tax in accordance with the provisions of the law of 23 December 2005. In such case the beneficiary is responsible for the related payment and declaration obligations. This withholding tax represents the final tax liability for Luxembourg individual resident taxpayers acting in the course of the management of their private wealth.

Interest on Notes paid by Luxembourg paying agent to Luxembourg Noteholders which are not individuals will not be subject to any withholding tax.

Income deriving from the Notes

Non-Resident Holders

Holders of the Notes will not become residents, or be deemed to be resident in Luxembourg by reason only of the holding of the Notes.

Non-Luxembourg holders of the Notes who are non-resident of Luxembourg and who do not hold the Notes through a permanent establishment or permanent representative in Luxembourg are not liable to any Luxembourg income tax, whether they receive payments of principal, payments of interest (including accrued but unpaid interest), payments received upon redemption, repurchase or exchange of the Notes, or realize capital gains on the sale of the Notes.

Resident Holders – General

Holders of the Notes who are tax resident in Luxembourg, or non-resident holders of the Notes who have a permanent establishment or permanent representative in Luxembourg to which or to whom the Notes are attributable, must for income tax purposes include any interest and other income received or accrued on the Notes in their taxable income unless an individual holder holds the Notes in the frame of the management of its private wealth. If in this last case the aforementioned 10 per cent. withholding tax has been levied it can be credited against the overall income tax liability. They will not be liable to any Luxembourg income tax on repayment of principal.

Luxembourg Resident Individuals

Luxembourg resident individual holders of the Notes who do not hold Notes as business assets are not subject to taxation on capital gains upon the disposal of the Notes, unless their disposal precedes their acquisition or they are disposed of within six months of the date of their acquisition. Upon a repurchase, redemption or exchange of Notes, the portion of repurchase, redemption or exchange price corresponding to accrued but unpaid interest is subject to the aforementioned 10 per cent. withholding tax. When the the aforementioned 10 per cent. withholding tax is applied, it may be credited against the resident individual's income tax liability. Luxembourg resident individual holders of Notes who hold Notes as business assets are subject to tax as described in relation to "*Luxembourg Resident Undertakings with a Collective Character*" below.

Luxembourg Resident Undertakings with a Collective Character

Unless they benefit from an exemption under Luxembourg tax law, Luxembourg resident undertakings with a collective character (*organismes à caractère collectif*), holding Notes, or foreign entities of the same type who have a permanent establishment or permanent representative in Luxembourg to which or to whom the Notes are attributable, must include in their taxable income interests accrued in the Notes and, on a sale repurchase, redemption or exchange, the difference between the sale, repurchase, redemption or exchange price (including accrued but unpaid interest) and the lower of the cost or book value of the Notes sold, repurchased, redeemed or exchanged.

Net Wealth Tax

Unless they benefit from an exemption under Luxembourg tax law, Luxembourg net wealth tax will not be levied on a holder of the Notes, unless such Notes are attributable to a business enterprise or part thereof or which is carried on in Luxembourg or through a permanent establishment or a permanent representative of a non-resident company in Luxembourg. In such a case, the holder of Notes must take the Notes into account for the purposes of Luxembourg wealth tax.

Other Tax Consequences

Stamp Taxes and Transfer Taxes

There is no Luxembourg registration tax, stamp duty or any other similar tax or duty payable in Luxembourg by the holders of Notes as a consequence of the issuance of the Notes, nor will any of these taxes be payable as a consequence of a subsequent transfer, repurchase or redemption of the Notes.

Gift Taxes

No estate or inheritance tax is levied on the transfer of Notes upon death of a holder of Notes in cases where the deceased was not a resident of Luxembourg for inheritance tax purposes and no gift tax is levied upon a gift of Notes if the gift is not passed before a Luxembourg notary or recorded in a deed registered in Luxembourg. Where a holder of Notes is a resident for tax purposes of Luxembourg at the time of his death, the Notes are included in its taxable estate for inheritance tax or estate tax purposes.

2. Warrants

Non-residents Warrant Holders

Under the existing laws of Luxembourg, the exercise or sale of Warrants by a non-resident Holder does not give rise to taxable income in Luxembourg, unless such Warrants were held as business assets by such non-resident within a permanent establishment in Luxembourg.

Residents Warrant Holders

Individuals

The profit made by a resident individual Warrant Holder not holding the Warrants as business assets, on the sale of Warrants or upon the exercise thereof against payment of a cash amount is taxable in Luxembourg if such Warrant is sold or exercised within a period of 6 months following the acquisition by such person. The exercise by such a Holder of Warrants against physical settlement does not give rise to taxation in Luxembourg, provided that the disposal of the assets acquired upon such exercise will be taxable in Luxembourg in the same circumstances as would be a sale of a Warrant or the exercise thereof against payment of a cash amount and that the holding period of 6 months referred to above will start on the date of acquisition of such assets following the exercise of such Warrant.

If Warrants are held by a resident individual Warrant Holder as a business asset, they are subject to Luxembourg tax as described in the paragraph "*Luxembourg Resident Undertakings with a Collective Character*" here below.

Luxembourg Resident Undertakings with a Collective Character

Save where the Warrant Holder is exempt from taxation under Luxembourg law, a Holder who is an undertaking with a collective character resident of Luxembourg, or a non-resident Holder of the same type who has a permanent establishment in Luxembourg with which the holding of the Warrants is connected must include in his taxable income the profit made on the sale of Warrants or upon the exercise thereof against payment of a cash amount. The exercise by a Holder of Warrants against physical settlement does not give rise to taxation in Luxembourg, provided that the disposal of the assets acquired upon such exercise will be taxable in Luxembourg in the same circumstances as would be a sale of a Warrant or the exercise thereof against payment of a cash amount.

Other Taxes

Luxembourg net wealth tax will not be levied on a Warrant Holder, unless the Holder is an undertaking with a collective character resident in Luxembourg; or the Warrants are attributable to the permanent establishment in Luxembourg of a foreign entity of the same type as a Luxembourg organism with a collective character.

There is no Luxembourg registration tax, capital tax, stamp duty or any other similar tax or duty payable in Luxembourg in respect of or in connection with the execution and delivery of the Warrants or the performance of the Issuer's obligations under the Warrants, except that courts proceedings in a Luxembourg court or the representation of the Warrants to an "*autorité constituée*", could imply registration of the Warrants at a fixed registration duty.

PLAN OF DISTRIBUTION

Summary of Distribution Agreement

Subject to the terms and on the conditions contained in a Distribution Agreement (as further amended and supplemented as at the date of issue of the Notes) (the "Distribution Agreement") dated 9 November, 1995 as amended and restated on 31 March, 2011 between the Issuer, the Permanent Dealers and the Arranger, the Notes and the Warrants will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes and Warrants directly on its own behalf to Dealers that are not Permanent Dealers and to sell Notes and Warrants directly in its capacity as a Dealer. The Notes and the Warrants may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes and the Warrants may also be sold by the Issuer through the Dealers, acting as agents of the issuer. The Distribution Agreement also provides for Notes and Warrants to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission in respect of Notes or Warrants subscribed by it. The Issuer has agreed to reimburse the Arranger for certain of its expenses incurred in connection with the update of the Programme and the Dealers for certain of their activities in connection with the Programme. The commission in respect of an issue of Notes or Warrants on a syndicated basis will be stated in the relevant Final Terms or Final Terms for the Warrants, as applicable.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes and the Warrants. The Distribution Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes or Warrants in certain circumstances prior to payment for such Notes or Warrants being made to the Issuer.

Selling Restrictions in respect of the Notes and the Warrants

United States

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 as amended (the "Securities Act") and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the Securities Act (Regulation S) or pursuant to an exemption from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Distribution Agreement, it will not offer, sell or in the case of Notes in bearer form, deliver the Notes of any identifiable tranche (i) as part of its distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such tranche as determined, and certified to each Relevant Dealer, by the issuer, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any dealer (not participating in the offering) may violate the registration requirements of the Securities Act.

The Warrants have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has represented and agreed that it has not offered or sold, and agrees that it will not offer or

sell, any Warrants constituting part of its allotment within the United States. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Furthermore, neither the sale of nor trading in Warrants which relate to currencies, commodity prices or indices has been approved by the United States Commodity Futures Trading Commission under the United States Commodity Exchange Act and no U.S. person may at any time purchase, trade or maintain a position in such Warrants.

Public Offer Selling Restrictions under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes or Warrants which are the subject of the offering contemplated by this Prospectus as completed by the relevant Final Terms or Final Terms for the Warrants in relation thereto, as the case may be, to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes or Warrants to the public in that Relevant Member State:

- (a) if the Final Terms or Final Terms for the Warrants specify that an offer of those Notes or Warrants, as the case may be, may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “Non-exempt Offer”), following the date of publication of a prospectus in relation to such Notes or Warrants, as the case may be, which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the Final Terms or Final Terms for the Warrants contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Final Terms or Final Terms for the Warrants, as applicable and the Issuer has consented in writing to its use for the purposes of that Non-exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the Relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive

provided that no such offer of Notes or Warrants, as the case may be, referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes or Warrants to the public**” in relation to any Notes or Warrants in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes or Warrants to be offered so as to enable an investor to decide to purchase or subscribe the Notes or Warrants, as the same may be varied in that Member State by any measure implementing the Prospectus Directive and the expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73 EU.

United Kingdom

Each Dealer has represented and agreed that:

1. in relation to Notes which have a maturity of less than one year from the date of their issue, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing
