Under the Programme, the Issuer may issue Notes outside the United States pursuant to Regulation S (“**Regulation S**”) of the United States Securities Act of 1933, as amended (the “**Securities Act**”). The Issuer has, pursuant to a dealer agreement dated 31 July 2024 (the “**Dealer Agreement**”), appointed Goldman Sachs International as arranger for the Programme (the “**Arranger**”), appointed Banque Internationale à Luxembourg, *société anonyme* and Goldman Sachs International as dealers for the Notes (together with any further dealers appointed under the Programme from time to time pursuant to the Dealer Agreement, the “**Dealers**”) and authorised and requested the Dealers to circulate the Information Memorandum in connection with the Programme on their behalf to purchasers or potential purchasers of the Notes.

In accordance with the Short-Term European Paper (“**STEP**”) Initiative, this Programme has been submitted to the STEP Secretariat in order to apply for the STEP label in respect of the Notes. The status of STEP compliance of this Programme can be determined from the STEP Market website (www.stepmarket.org).

THE NOTES HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933 AS AMENDED (THE “SECURITIES ACT”) OR ANY U.S. STATE SECURITIES LAWS AND MAY NOT BE OFFERED, SOLD OR DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT (“REGULATION S”)) (“U.S. PERSONS”) UNLESS AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IS AVAILABLE AND IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ANY OTHER JURISDICTION.

The Notes have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Information Memorandum or confirmed the accuracy or determined the adequacy of the information contained in this Information Memorandum. Any representation to the contrary is unlawful.

The Issuer has confirmed to the Arranger and the Dealers that the information contained or incorporated by reference in the Information Memorandum is true and accurate in all material respects and not misleading in any material respect and that there are no other facts the omission of which makes the Information Memorandum as a whole or any such information contained or incorporated by reference therein misleading in any material respect.

None of the Issuer, the Arranger, or the Dealers accept any responsibility, express or implied, for updating the Information Memorandum and neither the delivery of the Information Memorandum nor any offer or sale made on the basis of the information in the Information Memorandum shall under any circumstances create any implication that the Information Memorandum is accurate at any time subsequent to the date thereof with respect to the Issuer or that there has been no change in the business, financial condition or affairs of the Issuer since the date thereof.

No person is authorised by the Issuer to give any information or to make any representation not contained in the Information Memorandum and any information or representation not contained therein must not be relied upon as having been authorised.

Neither the Arranger nor any Dealer has independently verified the information contained in the Information Memorandum. Accordingly, no representation or warranty or undertaking (express or implied) is made, and no responsibility or liability is accepted by the Arranger or the Dealers as to the authenticity, origin, validity, accuracy or completeness of, or any errors in or omissions from, any information or statement contained in the Information Memorandum or in or from any accompanying or subsequent material or presentation.

The information contained in the Information Memorandum is not and should not be construed as a recommendation by the Arranger, the Dealers or the Issuer that any recipient should purchase Notes. Each such recipient must make and shall be deemed to have made its own independent assessment and investigation of the financial condition, affairs and creditworthiness of the Issuer and of the Programme as it may deem necessary and must base any investment decision upon such independent assessment and investigation and not on the Information Memorandum.

Neither the Arranger nor any Dealer undertakes to review the business or financial condition or affairs of the Issuer during the life of the Programme, nor undertakes to advise any recipient of the Information Memorandum of any information or change in such information coming to the Arranger's or any Dealer's attention.

This Information Memorandum does not, and is not intended to, constitute an offer or invitation to any person to purchase Notes. The distribution of this Information Memorandum and the offering for sale of Notes or any interest in such Notes or any rights in respect of such Notes, in certain jurisdictions, may be restricted by law. Persons obtaining this Information Memorandum or any Notes or any interest in such Notes or any rights in respect of such Notes are required by the Issuer, the Arranger and the Dealers to inform themselves about and to observe any such restrictions. No application will be made at any time to list the Notes on any stock exchange. A communication of an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the "FSMA")) received in connection with the issue or sale of any Notes will only be made in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer.

Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the Issuer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the Issuer’s target market assessment) and determining appropriate distribution channels.

UK MIFIR product governance / Professional investors and Eligible Counterparties only target market – Solely for the purposes of the Issuer’s product approval process, the target market assessment in respect of any of the Notes to be issued off this Programme has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**UK MiFIR**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any distributor (as defined above) should take into consideration the Issuer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the Issuer’s target market assessment) and determining appropriate distribution channels.

Solely by virtue of appointment as Arranger or Dealer, as applicable, on this Programme, neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of EU Delegated Directive 2017/593 or the FCA Handbook Product Intervention and Product Governance Sourcebook, as applicable.

The STEP market has been accepted as a non-regulated market for collateral purposes in credit operations of the central banking system for the Euro (the “**Eurosystem**”) from 2 April 2007. In order to be recognised as eligible collateral for Eurosystem

monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any time during their life, the Notes must also satisfy all the Eurosystem eligibility criteria in force from time to time.

Status of the Notes:	The Issuer's obligations under the Notes will rank at least <i>pari passu</i> with all present and future unsecured and unsubordinated obligations of the Issuer other than obligations mandatorily preferred by law applying to companies generally.

Listing:	The Notes will not be listed on any stock exchange.

All such payments shall be made (upon presentation and surrender (as the case may be) of this Global Note) to the bearer through Euroclear Bank SA/NV and Clearstream Banking S.A. or any other relevant clearing system or, if this Global Note has been exchanged for bearer definitive Notes pursuant to paragraph 7, by transfer to an account denominated in the Specified Currency maintained by the bearer with (i) a bank in the principal financial centre in the country of the Specified Currency or, (ii) if this Global Note is denominated or payable in euro by transfer to a euro account (or any other account to which euro may be credited or transferred) maintained by the payee with a bank in the principal financial centre of any member state of the European Union.

If this Global Note indicates that it is intended to be issued in NGN form, the Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the Relevant Clearing Systems (as defined below) and in the case of any payment of principal and upon any such entry being made, the nominal amount of the Notes recorded in the records of the Relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed.

Notwithstanding the foregoing, presentation and surrender of this Global Note shall be made outside the United States and no amount shall be paid by transfer to an account in the United States, or mailed to an address in the United States. In the case of a Global Note denominated in U.S. dollars, payments shall be made by transfer to an account denominated in U.S. Dollars in the principal financial centre of any country outside of the United States that the Issuer or Agent so chooses.

7. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated

bearer Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):

- (a) if one or both of Euroclear Bank SA/NV and Clearstream Banking S.A. or any other relevant clearing system(s) in which this Global Note is held at the relevant time is closed for business for a continuous period of 14 days or more (other than by reason of weekends or public holidays, statutory or otherwise) or if any such clearing system announces an intention to, or does in fact, permanently cease to do business; or

- 8. If, upon any such event and following such surrender, definitive Notes are not issued in full exchange for this Global Note before 5.00 p.m. (Luxembourg time) on the thirtieth day after surrender, this Global Note (including the obligation hereunder to issue definitive notes) will become void and the bearer will have no further rights under this Global Note.

Any failure to make the entries referred to in paragraph 9(b) shall not affect such discharge; and

- (d) if no Interest Payment Dates are specified on this Global Note, the Interest Payment Date shall be the Maturity Date.
10. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling or Renminbi, 365 days at the Fixed Interest Rate with the resulting figure being rounded to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and
 - (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an “**Interest Period**” for the purposes of this paragraph.
11. If this is a floating rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:

"SONIA Interest Determination Date" means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period; and

- (b) in the case of a Global Note which specifies USD-SOFR as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the SOFR Floating Rate and the Margin (if any) above or below the SOFR Floating Rate. As used in this Global Note:

"SOFR Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SOFR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is SOFR, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for USD-SOFR in the Compounding/Averaging Matrix; and

As used in this Global Note:

"ESTR Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant ESTR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is EuroSTR, and the resulting percentage is rounded in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for EUR-EuroSTR in the Compounding/Averaging Matrix; and

The Amount of Interest payable per Note shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the applicable Floating Rate Day Count Fraction in respect of the relevant Floating Rate Option specified in the Floating Rate Matrix or, if the Floating Rate Option is EUR-EURIBOR, by the actual number of days in the Interest Period divided by 360 and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);
- (f) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an “**Interest Period**” for the purposes of this paragraph; and
