

Switch from Token to LuxTrust Scan

Before you start you will need:

LuxTrust codes
User ID, Password and Challenge sent to you via SMS or e-mail

LuxTrust Token

LuxTrust Scan

Online Connection
A desktop computer, laptop or smartphone with Internet connection

How to activate your Scan LuxTrust ?

1. Log in to your personal area *My LuxTrust* on **luxtrust.com** and click on *Manage my products*.

2. Select your **device**, in this case the *Token*.

3. **Log in** to access your certificate data.

4. **Contact** our Customer Service at (+352) 24 550 550 to *unlock the addition of your scan*. After the call, you have **10 minutes to finalize the association**, otherwise you will have to restart.

5. **Click** on *Add a device* to your *LuxTrust* certificate.

6. Scan the **QR code** (mosaic image) displayed on your PC screen and **enter the generated 10-digit code** in the dedicated field.

7. On your Scan **confirm with Yes** that the code has been accepted.

8. Scan the **QR code** (mosaic image) and **enter the generated 8 digit code** in the dedicated field.

9. Enter the **serial number** found on the back of your device and click *Next*.

10. On your Scan **click on Continue**.

11. Scan the **QR code** (mosaic image) and **validate** your action with *OK*.

How to use your LuxTrust Scan?

1. **Turn on your device.**

2. **Scan the QR code displayed on our partners' websites.**

3. **Confirm the transaction.**
