

## **UPDATE BILnet** application

On your smartphone, the apps you download are automatically updated by default. However, if you have a problem, you can update an application manually.

- Touch your profile icon at the top of the screen.
- Scroll down to view updates and release and release notes.
- Touch the **"Update"** option next to the **BILnet** application to download the latest version.

- Touch your profile icon at the top right.
- Touch "Manage" applications. The applications for which an update is available are indicated by the words "Update available".
- Touch the **"Update"** option next to the **BILnet** application to download the latest version.
