

Direct access to financial markets, because you feel it is important to:

- manage your own portfolio because you have a degree of experience and knowledge of financial products and markets;
- access a wide range of financial products, particularly on primary and secondary bond markets;
- have direct contact with our financial market experts;
- trade under the best conditions;
- benefit from preferential fees for your transactions.

Because good timing is critical to your investments.

BIL Presto offers you many advantages:

- Access to stock market prices (or listings) in real time enabling you to act quickly and benefit fully from your investment decisions.
 - From the heart of our trading rooms, your financial expert can provide you with the accurate and specific factual information you need for each of the securities monitored by our investment management department or based on other financial resources.
- Use of a team of financial specialists that manage order execution for BIL Presto customers.
 Based in our trading room, your expert is available to execute your orders and the relevant transactions quickly and efficiently.
 - Our team of experts have the necessary technical skills to process your orders more quickly and the professional experience required to understand your decisions.

- Service available Monday to Friday, 8.45 a.m. to 6 p.m. Your market expert answers your calls directly and ensures availability of the service during the trading hours of the main European stock exchanges.
- Secure execution of your transactions in the best conditions, in accordance with our order execution policy.

It only takes a quick call to access a vast range of products and markets.

- You can place orders on a wide range of investment products and most financial markets. Whether your order is straightforward or concerns more sophisticated products, the BIL Presto contract allows you to invest in most financial instruments, regardless of whether they are traded on regulated or over-the-counter markets.
- Preferential fees for your market transactions.
 These are set in advance for each investment product: equities, bonds, ETFs, currencies, derivatives, investment funds, etc.
 You therefore have a clear and transparent view of the fees resulting from each of your transactions and your portfolio.
- How?
 All it takes is a telephone call to give you access to our services.
 - You are therefore in direct contact with our multilingual team based in our trading room. Information relating to contact persons shall be provided upon signature of the contract.

Your Relationship Manager is your dedicated point of contact to respond to any questions you may have regarding your financial situation, to introduce you to any available investment opportunities and to manage your account on a daily basis. They are there to strengthen the solid relationship that we have built together. Do not hesitate to get in touch with them as they will be happy to provide you with further details on our range of services and guide you on how best to proceed. Our full pricing policy and the relevant terms and conditions are also available on request.
