burden

Advantages of Housing-Saving.

The aim of House-Saving is – after a period of regular savings – to obtain a **low-interest housing-saving loan**. The interest rate fixed when the contract is concluded.

Build, buy, renovate with our lowest loan interest rate ever! The right solution for everyone, now already as from 0.45 %.

Stay flexible with Wüstenrot housing-savings

- ✓ Attractive interest rates
- ✓ Low-interest loans

Saving up to build capital – invest your money profitably and safely. Because with the current yield, the overall interest rate for your building society contract also increases.

Building society saving for children and young people – up to 200 € youth bonus for everyone up to 25 years of age on all tariff variants.

Reducing the tax burden – tax deductibility of 672 € or 1,344 € per year per person in the household.

Amounts deductible annually in € (per annum)		
	≤ 40 years	> 40 years
1 person	1,344	672
2 persons	2,688	1,344
3 persons	4,032	2,016
4 persons	5,376	2,688
5 persons	6,720	3,360
6 persons	8,064	4,032

Contract modifications	no	only splitting

1) Basic interest rate: 0.20 % (minimum). Special interest: current yield less 0.7 %, maximum 3.80 %.

Total annual interest up to 4.00 % maximum, basic interest included.

The special interest rate does not apply if the House-Saving contract is terminated within the first 7 years.

The special interest rate does not apply if the House-Saving contract is pre-financed.

2) The debit interest rate is determined depending on the average credit interest rate for the entire savings phase.

2.49 % is added to the calculated average credit interest rate.

3) The saver must be younger than 25 years of age at the end of the calendar year in which he/she concludes the building society contract.

Each saver can only conclude one youth building society contract with a youth bonus. The latter is granted by re-crediting the subscription fee of a maximum of 200 € to the building society account if the contract is allocated and the contract term is between 7 and 15 years.

Wüstenrot lending – secure and flexible.

Immo-Wüst – Bank advance loans with our partner banks

Immediate financing by the **partner bank** in combination with a building savings contract offers you great flexibility; you can completely exclude the interest rate risk (low-interest building society savings loan).

Wüstenrot bridging loan – safe interest over the whole duration

If you want to fulfil your dreams of a home spontaneously, you can get the right financing with the Wüstenrot bridging loan. This is because an advance loan in combination with a building society savings contract offers maximum security. We offer several variants and flexible terms.

Wüstenrot CONSTANT housing loan – 100 % certain and plannable

You want financing where you are 100% on the safe side and always have the same instalment from the first to the last day? Then the Wüstenrot CONSTANT housing loan is the right solution for you.

- ✓ Different total terms – approx. 10, 15, 25, 30 years
- ✓ Constant steady rates – from the first to the last day
- ✓ No interest risk
- ✓ Special repayments possible at any time
- ✓ Tax savings

Wüstenrot Flex housing loan – flexible construction financing

Do you want flexibility, security and individual instalments? Financing that can be easily adapted to your life? Then our Flex housing loan is exactly the right product for you. The low-interest advance loan (= interim loan) in combination with a building savings contract offers you maximum flexibility. You decide on the total term and the degree of interest rate security.

- ✓ Different overall terms – up to a maximum of 40 years
- ✓ Low instalments – as from 1.2 ‰ of the subscribed capital per month
- ✓ Great flexibility – You can change your savings rate or make special savings payments at any time – without any costs
- ✓ You determine the term of the loan by saving for the building society contract and can also exclude all interest rate risks
- ✓ Special repayments directly on the advance loan of up to 5 % per year possible, during the building society loan term even up to any amount
- ✓ No loan fees, no commitment interest for up to 12 months
- ✓ Tax savings

Youth saving.

Driving licence, university studies, a home... you can already make provision today to ensure that your dreams come true. Wüstenrot building society saving lays the financial foundation for this – even with small monthly amounts.

Secure yourself now:

- Up to **200 € youth bonus for** everyone up to 25 years of age

Youth bonus.

The saver must be younger than 25 years of age at the end of the calendar year in which he/she concludes the building society savings contract. Each saver can only conclude one youth building society savings contract with a youth bonus. The youth bonus is granted under all tariff variants – by re-crediting the subscription fee of a maximum of 200 € (corresponds to a subscribed capital of 20,000 €) to the building savings account if the building society savings contract is allocated and the contract term is between 7 and 15 years.

Contract term under Tarif DL 2020 – Kompakt variant (in €)

	10 years				15 years

Wüstenrot is the oldest Building Society in Germany;
it was founded in 1921 in a small Swabian
village called “Wüstenrot”.
Today Wüstenrot is located in Ludwigsburg.
The Luxembourg branch was opened in 1978.
