BIL and COSL renew their partnership in support of Luxembourgish sport

Luxembourg, 11 December 2025 - BIL and the Luxembourg Olympic and Sports Committee (COSL) are pleased to announce the renewal of their partnership for the next three years.

BIL has been a Gold Partner of COSL since 2023, and an unwavering supporter of the Team Lëtzebuerg athletes in international competitions, such as the recent Games of the Small States of Europe held in Andorra in May 2025, during which Luxembourg won 86 medals. As BIL prepares to celebrate its 170th anniversary, this renewal confirms the Bank's commitment to supporting the Luxembourg sports movement over the long term and contributing to its influence beyond the country's borders.

"We are proud to continue this collaboration with COSL. The athletes of Team Lëtzebuerg have given us intense emotional moments during the Games of the Small European States and the Olympic Games. Sport embodies universal values of respect and excellence, and it is a source of inspiration for us in the way we serve our clients and society," says Jeffrey Dentzer, CEO of BIL.

"COSL is particularly enthusiastic about extending its partnership with BIL until the end of 2028. The core values of BIL and those of COSL are deeply aligned. This collaboration allows COSL to promote access to sport for all, support sporting excellence, and contribute to the strengthening of our society," emphasizes Michel Knepper, President of COSL.

With this renewal, BIL and COSL reaffirm their shared commitment to supporting Luxembourgish sport and to proudly representing the Grand Duchy's colors on the international stage.

A committed sponsorship policy

The partnership with COSL is part of BIL's overall sponsorship policy, which aims to support initiatives that are meaningful for Luxembourgish society. The Bank is actively involved in four key areas:

- **Culture**, by facilitating access to artistic events and supporting local creation.
- **Sport**, by supporting athletes and encouraging sports practice as a vector of cohesion and health.
- **Education**, by supporting educational projects and initiatives that contribute to the development of younger generations.
- **Entrepreneurship**, by encouraging innovative projects with a positive impact on the national economy and supporting entrepreneurs.

Through these commitments, BIL reaffirms its desire to contribute to Luxembourg's growth and to strengthen its ties with society.
