

BIL inaugurates its new branch in Mondorf-les-Bains

Luxembourg, 17 October 2018: Banque Internationale à Luxembourg is continuing the transformation of its branch network to offer its clients unrivalled services and support. The new Mondorf-les-Bains branch, located at 1 Avenue Frères Wiesenbach, has now been inaugurated.

This new branch has a warm, modern interior with dedicated functional areas, combining direct client support with remote banking services – something that the bank is rolling out across its entire network.

Branch manager Marcel Pleimling and his team of expert advisers are available Monday to Friday from 9am to 12pm and from 1.30pm to 5pm (from 8am to 7pm by appointment only). Business owners, retailers and craftsmen benefit from dedicated services and advice to help them develop their business. Private customers also receive the necessary support to see them through key moments in life: buying a home, financing studies, preparing for retirement, etc.

A self-banking area with two ATMs and a latest-generation change machine is accessible 24/7. In the online area, clients can quickly carry out their everyday banking transactions, either independently or with the help of an adviser. No more waiting in line!

The streamlined, modern space offers an improved client experience. In the same vein, BIL is also developing permanently accessible, user-friendly digital services. This ensures that clients always get the full BIL experience, both for daily banking on its online BILnet platform or via tailored advice in branch.
